ACKNOWLEDGEMENT

I express my gratitude towards Department of Education, S.N.D.T. Women’s University for giving me the opportunity for conducting this research.

This research is the outcome of a sustained interest, insight, and efforts put in and encouragement given by my guide Dr. Shefali Pandya. I sincerely thank her for providing help at all stages of the research, and for taking personal and active interest in the research.

I feel indebted to University of Mumbai for granting the study leave required for the research work.

I gratefully acknowledge the time spared by the experts in spite of their busy schedules.

I sincerely thank principals of all the colleges of architecture for their active cooperation during the process of data collection. I thank all the students, teachers, and practising architects, who have responded to the questionnaires.

I thank the staff from examination section, University of Mumbai, for providing necessary information. I thank the Library staff of University of Mumbai, and S.N.D.T Women’s University for their co-operation.

I am grateful to Principal Sharad Gad, and staff members of Sir J.J. College of Architecture for their active participation in the process of development of action plan.

I sincerely thank all my family members for the help and encouragement given by them to pursue this project.

Sushama Joglekar.
