ACKNOWLEDGEMENTS

This scholastic research attempt would not have been successfully accomplished without the nourishment of so many wonderful people came across my life so far. I am extraordinarily fortunate to have a magnificent resource person as my supervisor Prof. Chintamani Mahapatra. It is an extremely pleasant experience to get the privilege of doing research under the influence of his stimulating suggestions, unquestionable guidance and enlightening supervision. I am definitely and infinitely grateful to his unwavering benediction. I humbly express my heartfelt gratitude to the distinguished faculties of American Studies Program Prof. Christopher S. Raj, Prof. K.P. Vijayalakshmi and Dr. M. Saleem Kidwai for their precious and awe-inspiring encouragement, and intellectual advisement. I would also like to extend my sheer reverence to Prof. Abdul Nafey and Dr. Priti Singh of my center for their invaluable information and suggestions at the time of my research.

I am thankful to the support staff of my center and Central Library of Jawaharlal Nehru University for their timely cooperation.

There are so many people who have inspired me in so different ways that it will be impossible to put forward their name in this tiny little page, but their avid endeavor for my achieved success cannot be forgotten and their memories are eternally treasured. Finally I pledge my total adoration to the most important source of my ultimate inspiration and the indispensable essence of my existence, my Angel Mother.

For all the errors and omissions in this research work, I am to be held responsible.
