

## **Acknowledgements**

**The dissertation entitled “Metabolic investigations of biologically active 1, 2, 4-trioxane(s)” is an endeavor to understand the role of drug metabolism in drug discovery development program. The concept and significance of drug metabolism was introduced to me by my revered supervisor, Dr. G.K. Jain, Chief Scientist and Head, Division of Pharmacokinetics and Metabolism, C.D.R.I. I am grateful to him for enlightening and enriching my knowledge in this area of research. His expert opinion and frequent discussions on the subject were instrumental in the designing of experiments and interpretation of results. His optimistic perspective and constant encouragement helped me overcome the challenges during my research. I am indebted to him for his support and generosity.**

**Dr. T. K. Chakraborty, Director, C.D.R.I whose kind help and blessings enabled me to complete the work. I express my gratitude to him. I am also grateful to Dr.C.M.Gupta, former Director, C.D.R.I for permitting me to work on the subject.**

**My thanks are due to Dr. S.K. Singh, Dr. Jawaharlal, Dr. R.S. Bhatta, Mr. Wahajuddin and Dr. J.R. Gayen for their kind support.**

**My thanks are also due to Dr. Ravishankar and Niyati Rai, Molecular and Structural Biology, Dr. Naibedya Chattopadhyaya and Dr. Ritu Trivedi, Endocrinology Division for their kind help.**

**Without the financial support from the ICMR, New Delhi (under the JRF award scheme) the work would not have been completed. I am thankful to the Council and Dr. K.K. Singh, Scientist G and In-Charge, Division of Manpower and Development for kind support and help.**

**My thanks are also due to Dr. Alka Singh and Dr. Sheela Ghosal, JNU Cell, CDRI for their kind help and support.**

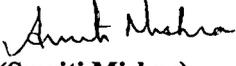

**The assistance and support of technical staff and library staff during my research is acknowledged with appreciation. I am thankful to them.**

**Never the least is the role of animal house in conducting the research. I cannot forget to express my deep sense of gratitude to Institutional Animal House Ethics Committee.**

**Dr. M.Lakshmi deserves my special thanks for help and encouragement.**

**Blessings of my parents have always been with me. I owe my indebtedness to them. My elder sister and her lovely kids kept my morale high, enthusiastic and happy. I wish to express my personal regard and affection to them.**

**Finally, I am thankful to everyone who directly and indirectly helped and extended support to me.**
