ACKNOWLEDGEMENT

From the beginning it was clear to me...

this is not about me or what I can do,

rather this is about what God wants me to do and

how He will enable me to do it.

-theia

Milestones of life are achieved, not only by individual efforts but with blessing, guidance and help of teachers, friends, elders, parents and our mighty Lord. Many people have contributed directly and indirectly to my education and to this thesis. Therefore this is the best opportunity to thank all of them.

First of all I would like to express my immense gratitude to my supervisor Dr. Rama P. Tripathi who encouraged and supported my efforts, knowledgeable guidance throughout the present study. His scholarly suggestions, immense interest, constant help and affectionate behavior have been a beacon of light for me. His suggestions will remain with me as an infinite source of scientific learning throughout my life.

I wish to convey my profound thanks to Dr. T. K. Chakraborty Director, and Dr. C. M. Gupta, former Director CDRJ-Lucknow, for providing the best facilities in the institute to carry the work smoothly. I would also like to thank Dr. S. B. Katti, Head, and Dr. A. K. Saxena, former Head, Medicinal and Process Chemistry Division, CDRJ, for providing the necessary facilities and suggestions during the entire period of my work.

I am thankful to Dr. V. Chaturvedi, Scientist, Microbiology Division, Dr. Rituraj Konwar, Scientist, Endocrinology Division, Dr. Gitika Bhatia, Scientist, Biochemistry Division for providing biological data. I am also very thankful to the Dr. Ravi Sankar Ampapthi, Scientist, NMR center, SAIF, for the conformational studies.

I am grateful to all the staff of Medicinal and Process Chemistry Division, SAIF division, Library, Administrative staff, Workshop and Glass blowing sections at CDRJ, for their help during my research period.

I heartily acknowledge my seniors Dr. V. K. Tiwari, Dr. R. C. Mishra, Dr. N. Tewari, Dr. D. Katiyar, Dr. S. S. Verma, Dr. N. Dwivedi, Dr. B. K. Singh, Dr. N. Saxena, Dr. J. Pandey, Dr. S. S. Bisht, Dr. Nimisha Singh, Dr. Mridul Mishra, Mr. Vivek P. Pandey and Dr. Sarvesh K. Pandey. I am also grateful to my lab colleagues Ajay, Seerat, Namrata, Munna, Rahul, G. Ramakrishna, N. Devender, Kapil, Venkat, Beni, Rajendra, Pranav, Pooja, Priyanka, Uday,
Srijan, Wasim, Akanksha, and Swati for their support and constructive research environment. My whole-hearted gratitude goes to Mr. V. K. Maurya and Mrs. Shashi Rastogi for their cooperation and sincere help.

I am indebted to Dr. Y. Singh and Dr. Vinod Kumar Tiwari for their motivation and suggestions. I would also like to cordial thankful to my Teachers Ajay Rai, Anand Rai and their families for their blessing, support and motivation. I am also indebted to Mrs Prema Tripathi for her constant support, motivation, valuable suggestions and providing me family like atmosphere.

My profound thanks to my friends Shyam, Vinay, Shahnawaz, Satinath, Gaurav, Srinivas, Imran, Maneesh, Shisharth, Vishwadeepak, Manoj, Abidhesh, Nandlal, Pradeep, Shrikant, Rancham, Krishana, and Manisha for their cheerful and entertaining attitude. I also would like to thank my lab attendant Sushil for providing every possible help.

The driving forces for accomplishment of my endeavor are my beloved parents Smt Chandravati Sharma & Shri S. P. Sharma, who extended every care, moral support and affection not only in this period but during my entire span of life. I pay my sincere obeisance to my cherished parents without whom it was near impossible to fulfill my objective. I will remain indebted to my loving brother Ajay and bhabhi Ganga for their care and affection. I am thankful to my sweet little nephew "Ayush" for their beautiful smile, who always prompts me to achieve the goal. I am greatly thankful to my cousins Ravi, Priyanka, Preeti, Neeti, Anju, and Neeru for their blessing, love and support.

Many more have helped me in this endeavor and I would like to thank them all with an excuse of not able to accommodate their names.

Last but not the least, financial assistance in terms of junior and senior research fellowship by CSIR, New Delhi is gratefully acknowledged.

(Anindra Sharma)
