AKNOWLEDGEMENT

It would not have been possible to write this Doctoral Thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

First and foremost, I owe my deep debt of heartfelt gratitude to my teacher and research supervisor Prof. (Mrs.). M. C. S. Subha, Department of Chemistry, for giving me an opportunity to work under her guidance, for her support, and encouragement throughout my study and she has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high profiled person. Her guidance was the next best thing to knowledge, which I will cherish throughout my life. She is truly a source of inspiration to pursue a research-oriented career.

I acknowledge my thanks to the authorities of Sri Krishnadevaraya University, Prof. J. Sreeramulu, Head of the Department of Chemistry, Prof. L. K. Ravindranath, Chairman, Board of Studies in Chemistry and all the staff members of Department of Chemistry for their enduring support and providing facilities for the successful completion of this thesis.

I owe special debit of gratitude and heart full thanks to Prof. K. Chowdoji Rao, Head & BOS, Department of Polymer Science & Tech., S.K.University Anantapur for his inspiring and stimulating discussions throughout the course of my research work.
I am immensely thankful to Dr. Ratnakar Reddy, Director (Operations), Hetero Drugs Ltd, Hyderabad for providing laboratory facilities to carry out the research work leading to submission of the thesis and for his inspiration and moral support during my research career.

My deep sense of gratitude to Dr. B. Srinivasa Reddy, AGM, Hetero Drugs Ltd, Hyderabad, who advised and rendered invaluable help throughout my work. I am extremely lucky to work with such a high profiled person. His guidance was the next best thing to knowledge, which I will cherish throughout my life.

I wish to express my gratitude to my brother Dr. A. Siva Rami Reddy without his guidance and persistent help this thesis would not have been possible. I am indebted to him for his guidance, constant encouragement and valuable suggestions during the entire tenure of research work and for his inspiration and moral support during my research career.

I wish to thank my colleagues Dr. U. Sujankumarji and all the research scholars of Department of Chemistry for their constant help, co-operation and encouragement during the research work.

I wish special thanks go to Dr. G. Srinivasa Rao, Dr. N. Sudhakar and M. Sashibushan Reddy for their encouragement all through the course of my Ph.D work.

I wish special thanks my friends and colleagues K. Venu, G. Srinivas, G. Naresh, P. Koteswar Rao, M. Santhosh, M. Prasada Reddy, A. Kishore Reddy, M. Ravindar Reddy, A. Gnaneswar Reddy, Ch. Ramakrishna, for their constant help, cooperation and encouragement during my research work. I cherish their technical support and encouragement throughout my work special thanks to Analytical dept Mr. G. Ganesh Kumar Reddy.
My heartful thanks to my brother **B. Prasada Reddy** and my brother-in-law **G. Krishna Reddy** for their love, affection and moral support during my research work.

I wish special thanks go to my friends & cousin’s **N. Rambabu, M. Samba Siva Reddy, G. Jaipal Reddy, G. Pulla Reddy** and **D. Srinivasa Reddy** for their constant help, cooperation and encouragement during my research work.

Finally no words can express the feelings towards my father-in-law **G. Rami Reddy** (Late) for their cooperation, moral support and all of their blessing in pursuing my higher studies.

My heartfelt thanks to my life partner **Hemalatha** for her unflinching moral support at every stage. Lastly my sweet son **Chetan Ram Sai Reddy**, who are my eternal inspiration and thanks for their endurance in putting up with my long working hours and for their moral support and help.

I am deeply thankful to the authorities of **Sri Krishnadevaraya University, Anantapuramu (A.P)** for providing this great opportunity to pursue my Ph.D degree.

Finally, I thank and remember each and every person who helped me directly and indirectly in my career.
