ACKNOWLEDGEMENTS

Successful completion of this thesis would have been possible with the support of several people and God's blessings. I take this opportunity to acknowledge my sincere gratitude to all of them.

First of all, I wish to extend my sincere gratitude to my research guide Dr. Chinta Sudhakar, Professor, Department of Botany, Sri Krishnadevaraya University, Anantapuram, for his immense knowledge, valuable guidance, and constant encouragement throughout my Ph.D. programme. I had really a great pleasure and privilege, to be associated with such dedicated, determined and inspirational personality during this research work. I owe my indebtedness for his unquantifiable help in fulfilling my course requirements. Vocabulary is inadequate to articulate my gratitude to him in guiding me, precising my flaws and endowing with insights in my tough times. As a result of all help, I could celebrate elation of chasing this instructive and inventive endeavour of my academic career.

I humbly express my deep sense of gratitude to Dr. R. R. Venkata Raju, Professor and HOD, Dr. B. Ravi Prasad Rao, Professor, Dr. S. Thimma Naik, Professor and Chairman, BOS, Dr. S. Sandhya Rani, Assistant Professor and Dr. T. Pullaiah, Retired Professor, Department of Botany, Sri Krishnadevaraya University, Anantapuram, for their encouragement, kind co-operation, valuable suggestions and providing necessary atmosphere to complete the work.

I am grateful to the Scientists of Acharya N.G. Ranga Regional Agricultural Research Station, Nandyal, for providing certified foxtail millet seed material. I am also grateful to the authorities of Animal husbandry, Anantapuram, for providing liquid nitrogen during my research work.

I am thankful to Dr. P. Chandraobul Reddy, Assistant Professor, Yogi Vemana University, Kadapa, Dr. G. V. Nagamalliaiah, Post Doctoral Fellow, Israel, Dr. M. Thippeswamy, Post Doctoral Fellow, IISC, Bangalore, Dr. G. Ranganayakulu, Academic consultant, Rayalaseema University, Kurnool, Dr. K. V. Madhusudhan, Lecturer, Govt. Degree College, Kurnool, Dr. K. Eswara Narayana Reddy, Post Doctoral Fellow, South Korea, Dr. M. Manjulatha, Post Doctoral Fellow, South Korea, Dr. M. Shiva Kumar, Post Doctoral Fellow and Dr. Loknath Rao, Post Doctoral Fellow, Taiwan for their valuable discussions and suggestions with a great intimacy when working problems arise.
I sincerely acknowledge the University Grants Commission, New Delhi for the award of Basic Scientific Research (BSR) Fellowship for meritorious students and financial support to my research work, which enabled me to undertake the research programme.

I am pleased to convey gratitude to my senior research scholars Dr. M. Pandurangaiah, Mrs., Dr. M. Ramya, Dr. O. Sudhakar Babu, Dr. A. Naresh and my lab mates Dr. Johnson, Mr. V. Amarnatha Reddy, Mrs., Vijaya Lakshmi, Mr., Vijaya kumar, Dr. B. V. Krishnappa, Miss. K. Kiranmai, U. Lokesh and B. Venkatesh, for their help and co-operation during my research work in the laboratory.

Further, I extended my heartfelt thanks to the research scholars of my department Miss. Dr. Padma, Dr. Lakshmi Narasimhudu, Dr. Rajasekhar, S. Ramesh, Dr. Veeranjineyulu, Dr. Kullaissamy, Dr. Saroja, Dr. T. Madhu Babu, Mr. R. Seenaiah, Mr. Sk. Meera Vali, Mrs. Jyothi, Miss. Suneetha, Dr. Salamma, Mr. M. Chennakesavulu Naik, and Mr. Anil for their co-operation and support.

I am thankful to non-teaching staff Kullayappa, Anjaneyulu, Tirupalu, Akulappa, Venkatappa and Ramu for their co-operation and help.

I am also indebted to my friends Ramesh, Sridhar, Rasool, and Shiyaz, not only for all their useful suggestions but also for being there to listen when I needed an ear. I convey special thanks to my principal Srinivasa Rao, and colleagues Hussain, Poornachandra Rao, Gouse and others for their co-operation and moral support.

Finally, words cannot express the feelings that I have on my family for my mother Nagarathnamma, brother Suresh, sister Sujatha and her husband for their constant unconditional care, love and support. I specially acknowledge my beloved wife Lakshmi Prasanna for her patience, affection, understanding and constant encouragement during this work and my heartfelt love to my little daughter Jahnavi allowed me to spend most of the time on this work that ultimately made it possible for me to end this work. To thank them in words is belittling their efforts but while acknowledging other names can never stand before them.
