ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude and indebtedness to Dr. R. Harikumar Varma, Selection grade Lecturer, Department of Chemistry, S.D. College Alappuzha, for his inspiring guidance and encouragement throughout the research work.

I am grateful to Dr. C. P. Prabhakaran, Professor and former Head, Department of Chemistry, University of Kerala, for his valuable suggestions and help.

I express my sincere thanks to Dr. P. Indrasenan, Professor and Head, Department of Chemistry, University of Kerala, Kariavattom for the valuable help received.

I am thankful to Prof. M. R. Prathapachandra Kurup, Department of Applied Chemistry, CUSAT and Prof. Chandramohan Kumar, Department of Chemical Oceanography, CUSAT for carrying out magnetic susceptibility studies and UV-Visible spectra of the compounds at their respective departments.

I am grateful to Prof. R. Jithendra Varma, former Principal, S.D College, Alappuzha, for his valuable help and encouragements.

I wish to express my gratitude to Dr. A. Sulekha, Director of Research, Department of Chemistry, S.N. College, Kollam for the valuable help received during the period of my research work.
I owe particular thanks to Dr. T.R Gopinathan Kartha, retired professor, N.S.S college, Pandalam, Dr. S. Sivakumar, D.B. College, Thalayolaparambu, Dr. M. R. Sudarsana Kumar, M.G. College, Thiruvanthapuram and Jabbar, Selection grade Lecturer, M.S.M College, Kayamkulam for helping me in the interpretation of Mass, EPR spectra and Powder X-ray diffraction studies.

I am greatly indebted to the authorities of various institutions-RSIC, Lucknow, IIT, Mumbai, Regional Research Laboratory, TVM, Department of Chemistry, University of Kerala, TVM, Centre for Biotechnology, CUSAT, Kochi and Department of Chemistry, S.N College, Kollam for providing instrumental and laboratory facilities,

I am grateful to UGC, New Delhi and its Southern Regional Office, Bangalore for giving me fellowship under FIP and the Government of Kerala for granting deputation.

I acknowledge and appreciate the help received from my colleagues in the Department of Chemistry, S.D College and Sister Anza Mathew of St. Joseph’s College, Alappuzha.

I thank Mr. Saiju for typing the thesis with great care and Janatha Press, Alappuzha for bringing out the thesis in the present form.

Finally a word of thanks to my wife Meena and children Reshma and Ranjana who have always encouraged me for the completion of the Research work.

N. Venugopal
