Acknowledgements

The utmost gratitude and my deep sense of respect goes to my research supervisor Dr. D. Srinivasulu, Associate Professor, Department of Chemistry, S. V. University, Tirupati, for giving me the opportunity to do my Ph.D. on this interesting subject, by his immense guidance, kind support, constant encouragement and a sense of freedom throughout the progress of research work.

I deeply owe my honest regards to Dr. C. Nagaraju, Retd., Department of Chemistry, S. V. University for his valuable support and inspiring discussions and constant encouragement throughout the tenure of this study.

In the truth sense, my sky high respect to Prof. C. Devendranath Reddy, Retd., and Prof. A. Krishnaiah, Retd., Department of Chemistry, Sri Venkateswara University, Tirupati, for his generous affection and concrete suggestions.

I consider, it is my pleasure to express my sincere thanks to Prof. K. Seshaiyah, Board of Studies and Prof. C. Venkata Rao, Head, Department of Chemistry for providing the necessary facilities to carry out the research work.

I convey my sincere thanks to Dr. M. Balaji, Assistant Professor, Dept. of Biochemistry, Dr. G. Sreedhar and Mrs. B. Vijaya Lakshmi, Mr. C. Shivanna, Dr. M. Suresh for providing the biological activity and spectroscopic data in time respectively.

I cordially thank my seniors, colleagues and juniors Dr. P. Ramesh, Dr. Y. Kotaiah, Mr. D. Suresh babu, Ms. M. Varalakshmi, Mr. M. V. Bhaskar Reddy, Mr. P. Krishna Reddy, Dr. V. Srinivasulu, Dr. B. Satheesh Krishna, Dr. S. H. Jayaprakash, Mr. K. Naga Raju, Mr. S. Gangadhar, Mrs. K. Sajitha, Ms. T. Shanthi, Mrs. K. Gowri, Ms. K. Priyadharshini, Mr. VVPC Narayana, Mr. N. Saichaitanya, Mr. T. Sreenivasulu Mr. V. Murali and Mrs. K. Swetha for their help and valuable suggestions at various stages of this work.

I especially express my joy and heartfelt thanks to my beloved friends Mr. S. Jayachandra, Mr. K. Leelanadha Kumar, Mr. D. Balakrishna, Mr. P. Devendra Reddy, Mr. R. Chenna Krishna Reddy, Mr. T. Siva Nageswar Reddy and Mr. S. Manigandha for their ever enthusiastic support and valuable aspiring discussions.

I acknowledge with thanks to University Grants Commission, New Delhi for providing financial support in the form of UGC-MRP Project Fellow and without that help the work could not have been carried out successfully.

I owe deep honor and love to my parents, D. Venkataiah and D. Eswaramma, to my sister, D. Sasikala and other family members whose grate love, endless affection, support and encouragement has set my academic goals and directed me to realize them successfully. I would not have been what I am today, without their support and encouragement. I forever remain grateful to them for shaping my career and life.

D. Rajasekhar ..........
