ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to Dr. G. Krishnan, Principal (Retd), Govt. College, Chavara, for his inspiring guidance and constant encouragement throughout the course of this investigation.

I am very much obliged to Dr. Jayashri T.A., Technical officer, Department of Chemistry, University of Kerala for suggesting the topic of research and for the timely help and cooperation extended by her with expert advice and valuable suggestions throughout the course of the investigation and during the preparation of the thesis.

I am very grateful to Dr. K.N. Rajasekharan, Head, Department of Chemistry, University of Kerala for his valuable suggestions during the preparation of the thesis.

I am thankful to Dr. P. Indrasenan, Former Head and Dr. K. Mohanan, Department of Chemistry, University of Kerala.

I express my thanks to Dr. R. Ajaykumar, Department of Molecular Microbiology, Rajiv Gandhi Centre for Biotechnology, for his help in carrying out antimicrobial studies.

I am very grateful to the Principal, University College and Head, Department of Chemistry for providing necessary facilities to carry out this investigation. I acknowledge with gratitude the help received from all members of both the teaching and non-teaching staff of the Department of Chemistry, University College, Thiruvananthapuram.
Grateful thanks are due to the authorities of Rubber Board, Government of India, Kottayam for carrying out gamma irradiation.

I extend my gratitude to authorities of Vikram Sarabhai Space Centre, National Institute of Interdisciplinary Science and Technology, Department of Chemistry, University of Kerala for providing instrumental and library facilities.

The award to a fellowship (FIP) by the University Grants Commission is gratefully acknowledged.

I express my gratitude to the Manager, NSS Colleges and the Principal, NSS College for Women, TVPM for selecting me to avail teacher fellowship for completion of Ph.D.

I wish to place on record of my sincere thanks to my friends and colleagues for their kind cooperation extended to me during the course of this investigation.

I am very much thankful to my husband Sri. N.Sadasivan Nair and all other family members for their moral support and encouragement for completing this work.

Finally I thank Signature Computers, Palayam for typesetting of this thesis.
