Acknowledgement

Whenever any piece of work is satisfactorily accomplished, it is never the work of one man but a number of people who silently and diligently work behind the screen and go unheard of. Much of the merit, this work may have is due to the generosity of those named here, whose knowledge and immense practical experience has guided me towards completion of this work.

It gives me great privilege to extend my deep sense of gratitude to my respected teacher and guide, Dr Sanjaya Sharma M.D, Associate Professor, Obstetrics and Gynaecology, M.L.B. Medical College, Jhansi; whose constant supervision and valuable guidance, led me to carry out this work with ease. I am extremely thankful for her untiring efforts, constructive criticism and aimful directions throughout this study.

I am sincerely grateful to Dr. Mridula Kapoor M.S. Professor and Head of Department of Obstetrics and Gynaecology, for her encouragement, kind help and gracious blessings, which she extended to me so liberally. I shall be indebted to her for her kindness and generosity.

I am earnestly thankful to my Co-guide and teacher, Dr Sunita Arora, M.S. FICOG, Associate Professor, Obstetrics and Gynaecology, for allowing me the benefit of her vast knowledge and experience. I also wish to express my gratitude to my Co-guide, Dr. R.K. Aggarwal, M.D. Professor and Head of Department Microbiology for his valuable guidance and support.
My most sincere thanks to Mr. B.D Mathur, M.Sc, D.H.S. Associate Professor, Statistics and demography, Department of Obstetrics and Gynaecology, for his help at every stage of this work.

All of my colleagues and wonderful friends deserve my heartiest thanks for their constant encouragement and support in completing this work.

I am indebted to my parents, family members and my husband Dr. Nagendra Malik for their love, affectionate behaviour and great moral support during the most demanding and tough times.

I also express my sincere indebtedness to my patients, without whose cooperation this work would not have been possible.

Finally, at the end my regards and thanks to Mr. Sanjay Sachan for his patient attitude in typesetting this manuscript and bringing it to completion.
