ACKNOWLEDGEMENTS

Whenever any piece of work is satisfactorily accomplished, it is never the work of one man but of a number of people, who silently work behind the screen and go unheard of. Much of any merit this work may have is due to the generosity of those named here, whose knowledge and practical experience has guided me to complete this work.

It is a great privilege to express my deep sense of gratitude to my respected teacher, Dr. Mridula Kapoor M.S. Associate professor of obstetrics and Gynaecology, M.L.B Medical college, Jhansi, whose valuable guidance and supervision led me to carry out this work. The very fact that this work has been accomplished is a mark of her gracious direction, constructive criticism and refreshing encouragement. I am very thankful for her untiring efforts and constant supervision throughout the study.

I am extremely grateful to Dr. Swadesh Sharma, M.S., FICOG, professor and Head, Department of Obstetrics and Gynaecology, M.L.B. Medical college, Jhansi, for her kind help, encouragement and constructive suggestions which she extended to me so liberally. I shall be ever indebted to her for her kindness and generosity.

I am sincerely grateful to my Co-guides, Dr. (Mrs.) U. Agarwal M.S., Associate professor, Dr. Sanjaya Sharma M.D. Assistant professor and Dr. S. Kharakwal M.D. Assistant professor Obstetrics and Gynaecology, M.L.B. Medical college, Jhansi, who generously given me the benefit of there vast knowledge and
experience for the completion of this work. The present work has taken this shape entirely due to their wise counsel and constant encouragement.

I also wish to express my gratitude to my revered teacher Dr. (Mrs.) Sunita Arora M. S., Associate Professor, Department of Obstetrics and Gynaecology, M. L. B. Medical College, Jhansi, for the constant encouragement and guidance rendered by them throughout the study.

All my colleagues in the department of Obstetrics and Gynaecology, deserve my heartiest thanks for their encouragement and generosity in offering their help whenever needed.

Not to be forgotten the sincere support, dedication and very affectionate behaviour of my husband Dr. Subhash Joshi who has shared all pains with me.

I am indebted to my parents, all family members and friends alike for their everyday help and moral support at the time of crisis.

I also wish to express my thanks to AISECT members for type setting this manuscript and composing this work.

Last but not the least, I express my sincere indebtedness to my patients, without whose co-operation this work would not have been possible.

I sincerely, dedicate this work to my Grand Mother.
