

APPENDIX

PUBLICATIONS

1. Convenient Preparation of Glycosyl Bromides; N. S. Mani and P. P. Kanakamma, *Synthetic Communications* **1992**, *22*, 2175-82.
2. Synthesis of Novel Chiral Macrocycles: Crown ethers derived from D-Glucose; N. S. Mani and P. P. Kanakamma, *Tetrahedron Letters* **1994**, *35*, 3629-32.
3. Synthesis of Novel Dextro-crown Derivatives; N. S. Mani and P. P. Kanakamma, paper presented at the *7th National Carbohydrate Conference* held at Dehra Dun, India, Nov. 1991.
4. Chiral Crown Ethers: Synthesis and Complexation Studies; P. P. Kanakamma and N. S. Mani, *Proceedings of the 8th National Carbohydrate Conference*, Trivandrum, India, Nov. 1992, 48-51.
5. Chiral Crown Ethers Incorporating D-Glucose; P. P. Kanakamma, N.S. Mani and V. Nair, *Abstracts of the HLRF-RRL National Symposium on New Developments in Carbohydrates and related Natural Products*, Trivandrum, India, Mar. 1994, 32.
