ACKNOWLEDGEMENT

It is my pleasure to express my deepest sense of gratitude and heartfelt respect to Dr. Devendra Kumar Bhatt, Sr. Lecturer, Institute of Food Technology, Bundelkhand University, Jhansi for his sagacious guidance, unstinted encouragement, close supervision, keen interest, critical appraisal, judicious planning of the research work and fatherly affection which inspired me to bring this research to a successful completion. I shall always be obliged for his constant encouragement and persuasive direction towards achieving my goal.

My profound respect and sincere gratitude is extended to Prof. Dheer Singh, Former Head, Institute of Food Technology and Dean, Institute of Engineering and Technology, Bundelkhand University, Jhansi for his whole-hearted cooperation for the work.

I am thankful to Dr. Shiv Kumar Katiyar, Head, Institute of Food Technology, Bundelkhand University, Jhansi for providing me an opportunity and necessary facilities for pursuing my research work.

I also extend sincere thanks from the bottom of my heart to Dr. Aparna Raj, Head, Institute of Tourism and Hotel Management, Bundelkhand University, Jhansi for her necessary help during my research work.

My sincere thanks to Dr. Saurabh Srivasava, lecturer and Mr. Deepak Tomar, System Analyst, Institute of Information Technology, Bundelkhand University, Jhansi for their support and encouragement from the beginning to the end of this work.

I am also very grateful to Mr. Manoj Kumar, Dr. Subir Chakraborty and Mrs. Noopur Gautam, who deserve special thanks for their constructive criticism, discussion and meaningful suggestions during the planning and execution of this study.

I wish to extend my grateful thanks to Dr. Ajeet, Scientist, NRCAF, Jhansi and Dr. Rishi Saxena, Head, Institute of Microbiology, Bundelkhand University, Jhansi for his whole hearted co-operation throughout the work.

I express my deep sense of regard to Shri Bhanu Pratap Singh, Mr. Santosh, Mr. Amit and all the staff members of Institute of Food Technology for their relentless help throughout the research work.

I am deeply indebted to my friends, Mrs. Shubhangi Nigam, Ms. Shiva Hingwasia, Mrs. Dipti Triwari, Sachin Karolia and Sanjay Singh who not only gave
their time but also shared their thoughts with me. I salute all those whose perceptions, observations and inputs have helped me directly or indirectly.

I have no words to express my debtful feeling to my Husband Sandeep Kumar Jha who shared the strain and cooperated with me at each step of my study work.

No words in this world can ever express the love and encouragement given by my parents, my loving brothers (Kapil, Vipul, Vaibhav and Vishesh) and sisters (Anu and Vini). I also acknowledge the love and support given by my all family members. This work is not complete without the blessings and deep affection of my father in law and mother in law. I extend my heartfelt reverence and affection towards my dearest Devar (Monu) for moral boosting.

At last, but not the least, I convey my thanks to Almighty God for all his blessings.
