ACKNOWLEDGEMENT

I wish to express my sincere gratitude to my guide Dr. Aparna Rajendra, Deputy Librarian, Jayakar Library, Savitribai Phule Pune University, Pune, for her invaluable guidance in preparation and execution of this research work. Without her firm support and encouragement, it would not have been possible to complete this thesis.

I am taking an opportunity to express deep sense of gratitude towards my teacher Dr. N.B. Dahibhate, Principal Technical Officer, National Chemical Laboratory, Pune, who despite of having busy schedule have spent enough time in discussing some of the core issues pertaining to my study.

My sincere thanks are due to Emeritus Prof. K. Paddayya, former Director, and former Profs. M. S. Mate and Shanti Pappu of Deccan College Post-Graduate & Research Institute (DCPGRI), Deemed University, Pune, and Dr. Alok Kumar Kanungo, IIT Gandhinagar, for thoughtfully and critically going through the earlier drafts of the thesis and for their valuable suggestions and discussions. Their endless queries and encouragement have inspired me to finish this work. I am thankful to Prof. Vasant Shinde, Vice-Chancellor, and all my colleagues of DCPGRI, especially from library for their all support.

I am indebted to Prof. Dipak Tilak, Vice-Chancellor, Dr. S. N. Karlekar, Dean, Board of Moral and Social Sciences Studies, Dr. Umesh Keskar, Registrar, Dr. Dhanishtha Khandare, Librarian and Head of the Department of Library and Information Science, Ms. Sujata Hargude, Library Assistant, and staffs at Ph.D. section of Tilak Maharashtra Vidyapeeth, Pune, for providing me every facility, timely assistance and academic help during my research.

I am thankful to all the authorities from all the respondent institutions in Deccan for their permission and providing the data about their manuscripts collection. All the manuscripts section in-charge spared their valuable time to fill in the questionnaire. It would not have been possible to complete this study without their active and prompt co-operation.
I express my sincere thanks to Mr. Omkar Tupe, Mr. Mohana R., and Mr. Pravin K. for helping me in data collection work. I am also thankful to Ms. Puja Panthare for her help in organizing statistical data and analyzing the data collected through survey.

I am thankful to all my friends Dr. Shahida, Anita, Vijaya, Dr. Jayashree, Asha, Sulabha, Niraja, and Pinky for being there, for their soothing presence and comforting words.

I sincerely thank my family members in general and my husband Anil and son Chaitanya, brothers Ravindra, Narendra, Mahendra, Virendra and sister Sarita in particular for their love, affection, and encouragement throughout the research years. No word is enough for the sacrifices of my late mother Shakuntala, father Dattatraya More and elder sister Gautami in raising and educating me. This work is dedicated to their souls.
