ACKNOWLEDGEMENTS

This, an another dream of my life has been come to be true with the kind blessings and untiring effort of my well wishers. I am unable to express my gratitude in words to those who, with such good grace, gave me a great moral courage in the completion of present work.

It was my proud privilege to have been associated with and remain under the constant vigilance of Dr. (Mrs.) Ramna, M.D., Assistant Professor, Department of Pathology, M.L.B. Medical College, Jhansi. The joy and experience of working under her guidance is really something out of this world. Her invaluable suggestions, constructive criticisms, meticulous attention to detail and never to be matched expertise has been primarily, if not singularly, responsible for the presentation of this work, in its present form. She has been a constant source of encouragement and guidance in moments of my despair and it is virtually impossible to express in words my deep sense of indebtedness and profound gratitude to her.

It is a matter of great privilege to express my respect and sincere gratitude to Dr. V.K. Sharma, M.D.,D.C.P., Associate Professor and Head, Department of Pathology, M.L.B. Medical College, Jhansi, for his constant & consistent help. His most precious help, keen interest, able guidance, invaluable suggestions and meticulous attention & constant encouragement have gone a long way towards the success of present work.
I am equally grateful to Dr. Rajeev Sinha, M.S., Assistant Professor, Department of Surgery, M.L.B. Medical College, Jhansi, for his expert guidance, wise suggestions and advice regarding the intricacies of this work. He has been a great source of inspiration throughout this study.

I am undoubtedly thankful to my friends and colleagues in building up the infra-structure of this work and timely help without which, this work could have been a lot more difficult.

I express all my regards to my parents whose love, blessings and encouragement & moral support made me possible to reach at this stage of life. I express my special thanks to my elder sister Mrs. Suman Ram and my brother-in-law Mr. Raj Nath Ram (P.C.S.), for contribution of their constant support and boost-up my ambitions to go ahead in life.

At this moment of glory and rewards, I accept that a lot of credit goes to my wife Mrs. Sunita Singh, whose devotion, constant encouragement, co-operation and untired efforts made me possible to complete the study.

I am also thankful to Mr. R.C. Jain, Mr. R.C. Sachan, Lab. Technicians, and Sri Govind Das, Lab. Attendent for their timely co-operation.

I owe words of gratitude to Mr. Vishan Lal, Librarian in taking pains for sorting out the necessary information from time to time. I also thank Mr. K.M. Thomas, for his neat typing of this manuscript in time.
