ACKNOWLEDGEMENT

I reverentially owe my deep sense of appreciation and indebtedness to my esteemed supervisor Dr. Shyam Prasad, Reader, Department of Economics, Himachal Pradesh University, Shimla, for guidance, counseling cooperation and personal inspiration in accomplishing this research work. His minute observations have been a bounteous help in chiseling out irrelevant details and unnecessary data in this research work. The entire study bears the stamp of his scholarly guidance.

I avail myself of this opportunity to express my gratitude to Dr. Dalip S. Thakur, Associate Professor and Chairman, Department of Economics, Professor, J.P. Bhati, Director of Population Research Centre, Dr. (Mrs.) Meenakshi Soodan, Sh. N. S. Bist, Dr. J.C. Kharewal, Dr. Sikander Kumar, Ms. Aparna Negi and other members of the Department of Economics, Himachal Pradesh University, for being a constant source of encouragement me throughout the study.

My sincere thanks and gratitude are due to Professor, S.D. Sharma, Hon'able Vice-Chancellor and Professor, N.K. Sharda, Hon'able Pro Vice-Chancellor, Himachal Pradesh University for their official timely help on the campus which helped in the completion of this research work.

Words are inadequate to pay my deep hearted gratitude to my worshipped and beloved parents Sh. Maan Chand and Smt. Gian Devi, who are a source of inspiration during this research work.

I am greatly indebted to my family for deep affection and motivation for completing Ph.D research. I am highly indebted to the inspiration and encouragement which I got from my wife, Mrs. Veena Thakur and my sons.
Akshay and Lukshay and my dear student Mr. Prithvi Raj who always accommodated my work schedule.

I express my sincere gratitude to the library staff of Himachal Pradesh University, Shimla and Punjab University Chandigarh, Directorate of Economics and Statistics Library, Shimla and Agro-Economic Research Centre, Library, Shimla.

I profusely acknowledge the contribution made by the Pradhans of Gram Panchayat Kanoh and Mehal District Hamirpur in making available necessary information.

I would like to place on record my sincere thanks to the staff of Statistical Department of District Hamirpur, Staff members of Bijhar Block as well as Bhoranj Block offices for keen interest evinced by them in my research. Their wholehearted cooperation and warm hospitality extended during the process of data collection is imprinted indelibly on my heart. Needless to mention that without their enthusiastic participation, this piece of research work would not have seen the light of day.

I extend my sincere thanks to the staff of computer Alpha Reprographics for printing the whole manuscript efficiently. They happily co-operated with me even at odd hours. My sincere thanks are due to Mr. Tilak Sharma for taking in pains typing meticulously through efficiency in a record time and assistance he rendered during the stipulated period.
