**CERTIFICATE**

I feel immense pleasure in certifying that Sh. Shamsher Singh has worked under my supervision and guidance for his dissertation on "Panchayati Raj in Haryana: a Study of Grass-Roots Politics", which he is submitting to the Himachal Pradesh University, Shimla for the Degree of Doctor of Philosophy in Political Science, and that he has put in the requisite number of attendance as required under the rules.

The data forming the basis of his research work are genuine and the analysis and the interpretation of the data are entirely his own. The work is original.

I recommend the dissertation for submission and evaluation.
