

DECLARATION

I hereby declare that the work presented in this thesis entitled **“BIOLOGICAL STUDIES OF THE MILLIPEDES”**, submitted for the degree of Doctor of Philosophy in Zoology, to the Sant Gadge Baba Amravati University, Amravati, has been carried out by me at the Department of Zoology , Bar. R.D.I.K. & Nya. K. D. College, Bandera (Rly), Amravati, under the direct guidance and supervision of Dr. B. D. Deshmukh.

The work embodied in this thesis is original and that it has not been submitted for any degree or diploma of this or any other University.

Mr. Anil J. Gour

(Researcher)

Date: 29/05/2010

Place: Amravati

I would also like to offer my sincere admiration to Honorable **Dr. K. M. Kulkarni**, Ex. Director, Higher education, Govt. of Maharashtra, Pune for all his help, support, suggestions and advice from the start of thesis work to the end.

It is my proud privilege to mention my thanks to Honorable **Shri. Sandeep R. Meghe**; President Vidarbha Youth Welfare Society, Amravati and all the members of Executive Council of the society.

My heartfelt thanks are to my friend **Dr. M. M. Baig**, Assit. Prof. of Zoology, Govt. V.I.S.H. Amravati, without whose constant support and inspiration this work would never have been possible.

I am thankful to **Sir Dr. Richard L. Hoffman**, Curator Department of Recent Invertebrates, Virginia Museum of Natural History, U.S.A. for his help regarding identification of millipede species under experimentation and providing necessary literature and references.

I am very much thankful to **Dr. Petra sierwald**, Asso. Quneta, Zoology- Insecta, field museum of natural history, 1400 lake, shord drive, Shicago, USA, **Dr. Milinda Moir**, Research fellow of Botany, University of Melbourne, **Dr. Michael R. Warburg**, Prof. Emeritus, Dept. of Biology, Technion City, Israel and **Dr, Vinod Khanna**, Zoological survey

of India, Northern Regional Centre, 218 Kaulagarh road, Deharadun, Uttrakhand for providing necessary literature and references.

My sincere thanks are to **shri Mahesh and Sau. Pranita M. Deshmukh**, Global project manager, Whirlpool H. Q. st. Joseph, Michigan USA for the help rendered during identification of millipede species.

My special acknowledgements are due to Librarian, S.G.B. Amravati University, Bangalore University, Bangalore (Karnataka), Nagpur University, Nagpur and Librarian of Dr. Panjabrao Deshmukh Krishi Vidyapith, Akola (Maharashtra) for providing necessary facilities for reference collection.

I wish to thank Incharge of soil testing, Krishi Vidyapith, Badnera, for providing Soil testing and several valuable advice.

I am grateful to **Sau. Sulabha B. Deshmukh** and **ku. Snehal B. Deshmukh** for due consideration and help rendered during thesis writing. My special thanks are due to my friend **Ashok Jadhao** who is always with me during animal collection and also for his moral support. My special thanks are due to **Mr. Sunil R. Shriramwar**, lab. Attendant, deptt. of Zoology Bar. R. D. I. K. & Nya. K. D. College for their help throughout the course of this investigation.

I wish to express my sincere thank to all the teaching and non teaching staff of Bar. R. D. I. K. & K. D. College, Badnera for their constant encouragement.

I wish to thank all my fellow colleagues, **Dr. S. V. Deshmukh, Head deptt. of Zoology, Dr. V. G. Mete, Dr. S. R. Dighade, Prof. S. G. Choudhary, Dr. S. V. Jagtap, Prof. P. A. Murade, Dr. S. D. Thakur, Prof. R. S. Sontakke, Dr. P. M. Deshmukh, Dr. S.B. Pund, Prof. S. D. Meshram, Dr. S. K. Zilpe and ku. S. M. Kolgante** for their all time supports and valuable suggestions that cannot be counted in words.

I find no words to express my feelings for my Mother **Smt. Tarabai J. Gour** whose moral support, love and constant encouragements have helped me to complete this journey. Her patience and sacrifice are always a main source of my inspiration and will remain throughout my life, motivating me to pursue still higher goals.

This thesis is also a culmination of my wife **Mrs. Santoshi A. Gour**. The presence of the little angel; my daughter **Ku. Palak** and son **Ku. Vedant** was always refreshing, making me feel relax and comfortable.

I would like to express my deep sense of gratitude to the authors and scientists whose work provided a valuable source of information and inspiration in understanding the present work.

Once again I thank to one and all whoever helped me directly or indirectly in completing this research work.

The thesis would be useful, if my efforts are ever to be of any use for the welfare of mankind and the advancement of science.

Mr. ANIL J. GOUR
