Acknowledgment

At the outset I take the privilege to express my deep and profound sense of gratitude towards my esteemed guide and supervisor Prof. S.P. Bansal, Director, Institute of Vocational Studies, H.P. University, Summerhill, Shimla, under whose learned and scholarly guidance the present research work has been completed. He has always been a constant source of inspiration and encouragement to me. Without his able guidance, sympathetic and encouraging attitude it would have not been possible for me to complete this study in the present format. In fact it has been a very pleasant and rewarding experience for me to work under his able supervision. His critical and demanding nature and firm commitment to supporting this work have set high standards, which allowed me to explore and discover on my own. I am also thankful for the excellent example he has provided as a successful academician.

I am equally grateful to faculty members of the department, Dr. Sushma Rewal Chugh, Dr. Sonia Khan and Dr. Chander Mohan Parsheera who had extended whole hearted support, encouragement and invaluable contribution at every stage of present work.

My sincere thanks are due for Department of Tourism, Himachal Pradesh, Government, Economics and Statistical Department of Himachal Pradesh, Himachal Tourism Development Corporation, District Tourism Development offices at Kullu and Shimla, Market and research division, Ministry of tourism Government of India for readily providing the requisite data and facts on various perspectives.

My special thanks to my parents, who always encouraged me to aim high in life and peruse a higher education, and without whose teachings, sacrifice and struggle, I would never have reached where I am today. Without the love and support of my family, this would have been a very hard journey. My love for them is eternal. I would like to thank to office staff, research scholars of Institute of Vocational Studies, H.P. University for their assistance and support.
