ACKNOWLEDGEMENT

At the outset, I express my profound veneration and deep sense of gratitude to my guide and supervisor Dr.P.PALANICHAMY, Reader, Department of Commerce, Pondicherry University for his invaluable guidance, suggestions, constant inspiration and co-operation throughout the work without which the thesis would not have taken this shape.

I would like to acknowledge my gratitude to Dr.B.MURUGESAN, Professor of Commerce and presently, Director, Directorate of Distance education, Pondicherry University and Dr.K.CHANDRASEKHARA RAO, Reader & Head (i/c), Department of Commerce, Pondicherry University, for giving me all encouragement to pursue this research work.

I also thank the other faculty members and staff, Department of Commerce, Pondicherry University, for their help and encouragement during my period of research in the department.

My sincere thanks to Dr.K.Sham Bhat, Professor of Economics and Dr.A.M.S.Ramasamy, Reader, Pondicherry University and Dr.Gururajan, Reader, Department of Mathematics, KMCPG, Pondicherry for giving their valuable suggestions and guidance in using the statistical tools.

I also thank my colleagues, Department of Commerce, Tagore Arts College, Pondicherry for their suggestions and constant inspiration throughout the work.

I feel particularly indebted to my beloved wife S.Gandimathy, B.com, daughter Dr.S.Sujindra M.B.,B.S. and son S.Saseendar, M.B.,B.S. whose affection and encouragement is a source of inspiration and perennial strength.
My thanks also to Mr. D.G.Ramalingam of Ramtech, Pondicherry, for processing the data.

I owe a special word of thanks to M.Vaithianadan and R.Devanathan, my beloved students, Tagore Arts College, Pondicherry for their assistance in entering the data.

I owe a special word of thanks to the Institute of Financial Management Research, Chennai for providing the requisite database for the research work.

G. Shanmugasundaram.
