ACKNOWLEDGMENTS

It is a pleasure to thank the many people who made this thesis possible. I express my sincere and deep gratitude to my research guide, Dr. (Mrs.) Sayeeda Wafar for constant encouragement and close supervision of my work without which it would have not been possible to complete this thesis.

I also express my sincere and warm thanks to Dr. MVM Wafar for his patient teaching to explain things clearly and simply, constant support, inspiration, enthusiasm, and close supervision. He also helped in giving constructive and subjective criticism at every stage of study and took every effort in reading and providing me with valuable comments on earlier versions of this thesis. This has resulted in the final form and quality of this thesis.

My special thanks are due to Dr. Satish Shetye, Director, National Institute of Oceanography for his support and for providing the requisite facilities during the research period.

I record my sincere thanks to Dr. Ehrlich Desa, Dr. C.S. Murty, Dr. Loka Bharathi, Dr. C.T. Achuthankutty, Dr. D.J. Bhat, (Head, Botany Department, Goa University) Dr. G.N. Nayak (Head, Department of Marine Science, Goa University) for their constant support and valuable assistance from time to time.

My thanks are due to the Department of Meteorology, Pune for providing me the rainfall data for the study site.

My special thanks and greatly indebted to Miss. Pritam Sawant, Babuso Pednekar, Joereen Miranda and Lina Mergulhao for their constant assistance and support during all the stages of my research work. My thanks are due to Rupali, Rukhiya, Berna, Simon and Yeshwanth
My thanks are also due to Dr. AB Valsangkar, D. Sundar, P Pednekar, Gowthaman, Phadte and Luis.

I am indebted to Mr. and Mrs. Dukhande for our field laboratory and their kind hospitality during our fieldwork at Achara.

The financial support of the Ministry of Environment and Forest is gratefully acknowledged.

I feel a deep sense of gratitude for my parents who formed part of my vision and taught me the good things that really matter in life. I am also grateful for my brothers for their constant encouragement.

Last but not the least, I am very grateful to my in-laws and husband Charu, for the moral support, love, patience and understanding during the PhD period. This provided an additional and joyful dimension to my life missions. All this has gone a long way in the successful completion of this thesis.
