ACKNOWLEDGEMENTS

It is my pleasure and privilege to express my profound sense of gratitude and indebtedness to my reverend teacher and guide, Dr. (Mrs.) Veena Sharma, Assistant Professor, Department of Mathematics, Himachal Pradesh University, Shimla-171 005, for her valuable suggestions, eximious guidance, constructive criticism, untiring help, inspiration and kind encouragement. Her extra-ordinary interest in the subject made this work possible. I have no words to articulate adequately my sense of deep gratitude to her.

I am indebted to Dr. R.C. Sharma, F.N.A. Sc., Professor, Department of Mathematics, Himachal Pradesh University, Shimla-171 005, for his creative criticism and valuable discussions for the investigation and preparation of this manuscript.

I am thankful to Chairman and other faculty members of the Department of Mathematics, Himachal Pradesh University, Shimla for providing me the necessary research facilities, continuous help and encouragement. My thanks are also due to the Principal, Government Degree College, Sarkaghat, District Mandi, Himachal Pradesh.

I pay tearful tribute to my Father, Late Shri A.R. Rana who in the beginning taught me the lessons of struggle to attain something in life. His everlasting memories and ceaseless inspiration will be guiding me throughout my life.

I fail to find words to express my sincere indebtedness to my Mother, Sisters and Brothers whose silent blessings, timely guidance, sacrifices and everlasting affection have enabled me to complete this work.
I would like to express my sincere thanks to my beloved wife Sunayana and my daughter, Yukta for their everlasting affection and sense of humour during the tense moments and relieved me of domestic responsibilities.

Sincere thanks are due to Mr. Balbir Singh Thakur, Mr. Arun Gautam, Mr. Rajesh Gautam, Mr. Kamal, Mr. Sanjeev Kumar, Mr. Suresh Sanoria, Mr. Vishal Thakur, Mr. Praveen Rana, Ms. Meena, Ms. Sudershana for the cooperation they rendered me during the course of my research.

A word of praise for Mr. Lal Deen for his painstaking efforts in typing this manuscript in the least possible time.
