

## ACKNOWLEDGEMENT

At the very outset I express my sincere indebtedness and gratitude to respected Dr M L Maurya, Head & Director, Institute Of Economics & Finance, Bundelkhand University, Jhansi, who very kindly consented to be my guide. Dr M L Maurya has always been a source of great inspiration and motivation. His valuable guidance enabled me to overcome various bottlenecks and present this thesis.

The research would not have been possible without the support of various organizations, libraries of some prestigious Institutes and Colleges at National Capital Region Of Delhi and their staff members. I sincerely thank the following organizations and their staff members for providing me valuable support & inputs : Reserve Bank Of India, Office of Registrar Of The Companies, NCT Delhi, International Business Branch, Bank Of Baroda, New Delhi, HDFC Bank, ICICI Bank, Rico Auto Industries Limited, Sona Koyo Steering Systems Limited, Sona Somic Lemforder Components Ltd., Whirlpool Of India Limited. I also thank the Institute Of Economic Growth, FMS, Delhi University, Ratan Tata Library, Delhi School Of Economics, Delhi Institute Of Advanced Studies and Hindu Institute Of Management, whose libraries I could access with their candid support. I am also indebted to the following organizations, amongst others, for the support provided through their websites : RBI, British Bankers Association, London & Federal Reserve Bank Of USA. I am also indebted to and appreciate the role played by certain premier research & academic organizations like Centre for Monitoring Indian Economy, ICRA & ICFAI.

Last but not the least, the assistance rendered by my parents Shri K K Khurana & Mrs. Prem Khurana, my wife Mrs. Varsha Khurana and other family members have been no less valuable. They have always been motivating me to pursue the study / research with full concentration and have been taking due care of my other social obligations and responsibilities during the tenure of the research.
