ACKNOWLEDGEMENT

Acknowledgement of the favour received and privileges enjoyed is not simply a matter of going through a time honoured ritual. It having the pleasure and satisfaction of discharging various debt of gratitude.

It was my proud privilege to have been associated with and remain under the constant vigilance of Dr. Praveen Kumar Jain, MD, Dip. card, DM (card.) Professor in cardiology, Department of Medicine, M.L.B. Medical College, Jhansi, who provided me an opportunity to perform this work under his guidance. Immensely rich in his field of study and towering presence in intellectual nature, he guided me at every point, with his invaluable suggestions, concrete guidance, constructive criticism and meticulous attention and perfused by brain with his unlimited knowledge. He has always been source of encouragement, constant inspiration and the ultimate solution for my quarries. For his noble kindness, selfless generosity and eveready helping nature, I shall remain ever grateful to him.

I would like to express my profound respect and immense gratitude to esteemed and learned Prof. R.C. Arora, MD, DSC (Principal Dean, & Head, Department of Medicine, M.L.B. Medical College, Jhansi. His fatherly attitude, valuable suggestions, constructive criticism and meticulous attention have gone a long way towards the success of this work.

It is an immense pleasure to present my deep regards towards Dr. (Prof.) P.K. Jain MD, MNAMS and Dr.(Prof.) Navneet Agarwal MD, Dr. N.S. Senger MD, DM (Nephrology) and Dr. Gyanendra Kumar, MD (Psychiatry) Assistant Professor, Department of Medicine, M.L.B. Medical College, Jhansi for their most precious help, keen interest,
invaluable suggestions and constant encouragement in moulding this work to a successful completion.

I express my heartiest thanks for the co-operation extended at every juncture of my work by my friends and colleagues, all the residents of Department of Medicine.

Each cell of my body is indebted to my mother and father for their constant blessings and, to my brothers and other family members for their constant encouragement and above all to my fiancee Nishat, PGDCA, CA(stud.) for her incredible inspiration.

I also thanks to Mr. Vinod Kumar Raikwar (V.K. Graphics, Inside Medical Campus) who completed the thesis work nicely and within time.

Finally I am thankful to all the patients who become the cases material for this study and co-operation throughout the follow-up.

In the last but not the least I pay my sincere prayer to the Almighty God.
