It gives me immense pleasure to acknowledge the assistance and cooperation of those persons without whose help the present work could not have been completed.

First of all, I am greatly indebted to my revered research supervisor Dr. R. D. Sharma, Head, Post Graduate Department of Public Administration, Himachal Pradesh University, Shimla, who has guided my research with scholarly advice, meticulous care and warm personal affection. His thought-provoking discussions, searching questions, and constructive criticisms have been of immense value to me in carrying out the present work. But for his abundant love and able guidance, it would have been impossible for me to prosecute my research and shape the thesis.

I am highly thankful to the management of the State Undertakings of Jammu and Kashmir for their helpful cooperation and ready assistance in making the relevant research data available for my use. In this regard, I am specially grateful to Mr. Mahmood-ur-Rehman, the then Managing Director of Jammu and Kashmir Industries Limited, who at present is the Principal Secretary to the Chief Minister of Jammu and Kashmir State.
