ACKNOWLEDGEMENT

Here, standing in the shade of my recently built house, I can not help but feel the presence of all those, who added the bricks and cement from the foundation to the completion of this project under which I feel so secure to day. The upsurge of gratitude and love for their kind and loving co-operation in this presentation prostrate me before all those who helped me in all humility and obeisance.

It was my proud privilege to have an opportunity to work under the supervision of Dr. P.K. Jain, M.D., MNAMS, Assistant Professor, Department of Medicine, M.L.B. Medical College, Jhansi. I cannot paralleled my indebtedness and gratitude for him by vocabulary. His keen attention and interest in daily work and his coming up with wise suggestions and pieces of advice regarding the intricacies in the work, were a source of great inspiration to me. It shall be no over statement on my part to say that his continuous encourage-ment has been the back bone of the study.

I find myself at a loss of words to express my gratitude to Dr. Anurag, M.S., Assistant Professor, Depart-ment of Orthopaedics, M.L.B. Medical College, Jhansi, who was over keen to solve my problems. He has been to kind to help me even at his personal inconveniences at every stage of this work.
It is extremely difficult to express my thankfulness to Prof. R.C. Arora, M.D., D.Sc., Professor & Head, Department of Medicine, M.L.B. Medical College, Jhansi. His invaluable guidance and suggestions at various junctures of the project kept it going on the right track. The fatherly warmth he showered upon me kept my spirits soaring high and secure.

I find myself perpetually indebted to Prof. D.N. Mishra, M.D., FCCP, MNAMS, Dr. Navneet Agarwal, M.D., Asstt. Professor and Dr. Praveen Kumar, M.D., Dip. Card., DM (Card), Asstt. Professor in Cardiology, Department of Medicine, M.L.B. Medical College, Jhansi for their requisite guidance, inspiration and encouragement to take up and complete this project. My heartiest thanks to them.

Finally lot of thanks to Mr. R.S. Vishwakarma, whose promptness and punctuality combined with acuity of his art of typing made this presentable.

Dated: Sept. 29, 1992
