3.9 Analysis of Long-term Solvency of ONGC during the study period from 2000-01 to 2011-12.

3.10 Analysis of Long-term Solvency of IOCL during the study period from 2000-01 to 2011-12.

3.11 Analysis of Long-term Solvency of OIL during the study period from 2000-01 to 2011-12.

3.12 Analysis of Long-term Solvency of BPCL during the study period from 2000-01 to 2011-12.

3.13 Analysis of Long-term Solvency of HPCL during the study period from 2000-01 to 2011-12.

3.14 Analysis of Long-term Solvency of GAIL during the study period from 2000-01 to 2011-12.

3.15 Comparative Analysis of Long-term Solvency of the selected Public Sector Oil and Gas Companies in India (on the basis of average values) during the study period from 2000 01 to 2011 12

Chapter-4: Analysis of Performance of Liquidity Management of the selected Public Sector Oil and Gas Companies in India

4.1 CR, QR, CATAR, CASR and ROCE of ONGC during the study period from 2000-01 to 2011 12

4.2 CR, QR, CATAR, CASR and ROCE of IOCL during the study period from 2000-01 to 2011 12

4.3 CR, QR, CATAR, CASR and ROCE of OIL during the study period from 2000-01 to 2011 12

4.4 CR, QR, CATAR, CASR and ROCE of BPCL during the study period from 2000-01 to 2011 12
4.5 CR, QR, CATAR, CASR and ROCE of HPCL
during the study period from 2000-01 to 2011-12

4.6 CR, QR, CATAR, CASR and ROCE of GAIL
during the study period from 2000-01 to 2011-12

4.7 Comparative Analysis of Efficiency in Liquidity Management on the
Overall Financial Performance of the selected Public Sector Oil and Gas
Companies in India on the basis of average values of CR, QR, CATAR
and CASR during the study period from 2000-01 to 2011-12.

4.8 Analysis of Correlation Coefficients between CR, QR, CATAR and
CASR and ROCE of the selected Public Sector Oil and Gas
Companies in India during the study period from 2000-01 to 2011-12

4.9 Computation of Performance Index (PI), Utilization Index (UI) and Efficiency
Index (EI) of ONGC for the period from 2000-01 to 2011-12

4.10 Computation of Performance Index (PI), Utilization Index (UI) and
Efficiency Index (EI) of IOCL for the period from 2000-01 to 2011-12

4.11 Computation of Performance Index (PI), Utilization Index (UI) and
Efficiency Index (EI) of OIL for the period from 2000-01 to 2011-12

4.12 Computation of Performance Index (PI), Utilization Index (UI) and
Efficiency Index (EI) of BPCL for the period from 2000-01 to 2011-12

4.13 Computation of Performance Index (PI), Utilization Index (UI) and
Efficiency Index (EI) of HPCL for the period from 2000-01 to 2011-12

4.14 Computation of Performance Index (PI), Utilization Index (UI) and
Efficiency Index (EI) of GAIL for the period from 2000-01 to 2011-12

4.15 Comparative Analysis of selected Performance Indices of the selected
Public Sector Oil and Gas Companies in India (on the basis of average values)
during the study period from 2000-01 to 2011-12.
4.16 PI and ROE of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

4.17 UI and ROE of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

4.18 EI and ROE of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

4.19 Analysis of Correlation Coefficients between PI, UI and EI and ROE of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12

4.20 Analysis of Working Capital Leverage of ONGC Ltd. during the study period from 2000-01 to 2011-12

4.21 Analysis of Working Capital Leverage of IOCL Ltd. during the study period from 2000-01 to 2011-12

4.22 Analysis of Working Capital Leverage of OIL Ltd. during the study period from 2000-01 to 2011-12

4.23 Analysis of Working Capital Leverage of BPCL Ltd. during the study period from 2000-01 to 2011-12

4.24 Analysis of Working Capital Leverage of HPCL Ltd. during the study period from 2000-01 to 2011-12

4.25 Analysis of Working Capital Leverage of GAIL Ltd. during the study period from 2000-01 to 2011-12

4.26 Analysis of Working Capital Leverages (WCLs) of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12
4.27 Motaal’s Comprehensive Test of Liquidity for ONGC
during the study period from 2000-01 to 2011-12 132

4.28 Motaal’s Comprehensive Test of Liquidity for IOCL
during the study period from 2000-01 to 2011-12 133

4.29 Motaal’s Comprehensive Test of Liquidity for OIL
during the study period from 2000-01 to 2011-12 134

4.30 Motaal’s Comprehensive Test of Liquidity for BPCL
during the study period from 2000-01 to 2011-12 135

4.31 Motaal’s Comprehensive Test of Liquidity for HPCL
during the study period from 2000-01 to 2011-12 136

4.32 Motaal’s Comprehensive Test of Liquidity for GAIL
during the study period from 2000-01 to 2011-12 137

4.33 Comparative Analysis of Motaal’s Comprehensive Test of Liquidity
of the selected Public Sector Oil and Gas Companies in India
(on the basis of average values) during the study period
from 2000-01 to 2011-12. 138

Chapter-5: Analysis of Profitability and Efficiency in Total Cost Management
of Selected Public Sector Oil and Gas Companies in India

5.1 Analysis of CATA and ROCE of ONGC during
the study period from 2000-01 to 2011-12 149

5.2 Analysis of CATA and ROCE of IOCL during
the study period from 2000-01 to 2011-12 150

5.3 Analysis of CATA and ROCE of OIL during
the study period from 2000-01 to 2011-12 151
5.4 Analysis of CATA and ROCE of BPCL during the study period from 2000-01 to 2011-12

5.5 Analysis of CATA and ROCE of HPCL during the study period from 2000-01 to 2011-12

5.6 Analysis of CATA and ROCE of GAIL during the study period from 2000-01 to 2011-12

5.7 Analysis of Correlation Coefficients between CATA and ROCE of the selected public sector oil and gas companies in India during the study period from 2000-01 to 2011-12

5.8 Analysis of selected elements of cost to total cost (%) and return on capital employed of ONGC during the study period from 2000-01 to 2011-12.

5.9 Analysis of selected elements of cost to total cost (%) and return on capital employed of IOCL during the study period from 2000-01 to 2011-12.

5.10 Analysis of selected elements of cost to total cost (%) and return on capital employed of OIL during the study period from 2000-01 to 2011-12.

5.11 Analysis of selected elements of cost to total cost (%) and return on capital employed of BPCL during the study period from 2000-01 to 2011-12.

5.12 Analysis of selected elements of cost to total cost (%) and return on capital employed of HPCL during the study period from 2000-01 to 2011-12.

5.13 Analysis of selected elements of cost to total cost (%) and return on capital employed of GAIL during the study period from 2000-01 to 2011-12.

5.14 Analysis of Correlation Coefficients between RMCTC, PFCTC and ECTC and ROCE of the selected public sector oil and gas companies in India during the study period from 2000-01 to 2011-12

5.15 Analysis of Correlation Coefficients between OMCTC, SACTC and METC and ROCE of the selected public sector oil and gas companies in India during the study period from 2000-01 to 2011-12
5.16 Analysis of profitability in relation to sales revenue (%) for the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

5.17 Analysis of profitability in relation to investment (%) for the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

5.18 Comparative Analysis of Profitability of the selected Public Sector Oil and Gas Companies in India (on the basis of average values) during the study period from 2000-01 to 2011-12.

**Chapter-6: Analysis of Efficiency of Asset Management of the selected Public Sector Oil and Gas Companies in India**

6.1 Selected Ratios relating to Efficiency in Asset Management and ROCE of ONGC during the study period from 2000-01 to 2011-12

6.2 Selected Ratios relating to Efficiency in Asset Management and ROCE of IOCL during the study period from 2000-01 to 2011-12

6.3 Selected Ratios relating to Efficiency in Asset Management and ROCE of OIL during the study period from 2000-01 to 2011-12

6.4 Selected Ratios relating to Efficiency in Asset Management and ROCE of BPCL during the study period from 2000-01 to 2011-12

6.5 Selected Ratios relating to Efficiency in Asset Management and ROCE of HPCL during the study period from 2000-01 to 2011-12

6.6 Selected Ratios relating to Efficiency in Asset Management and ROCE of HPCL during the study period from 2000-01 to 2011-12

6.7 Comparative Analysis of Efficiency in Asset Management (on the basis of average values) of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.
6.8 Analysis of Correlation Coefficients between FATR, TATR and WCTR and ROCE of the selected public sector oil and gas companies in India during the study period from 2000-01 to 2011-12

6.9 Analysis of Correlation Coefficients between ITR, DTR and CTR and ROCE of the selected public sector oil and gas companies in India during the study period from 2000-01 to 2011-12

Chapter-7: Performance Analysis through Internal Resource Generation, Contribution to the Central Exchequer and Analysis of Value Addition by the selected Public Sector Oil and Gas Companies in India

7.1 Internal Resource Generated by ONGC
for the period from 2000-01 to 2011-12

7.2 Internal Resource Generated by IOCL
for the period from 2000-01 to 2011-12

7.3 Internal Resource Generated by OIL
for the period from 2000-01 to 2011-12

7.4 Internal Resource Generated by BPCL
for the period from 2000-01 to 2011-12

7.5 Internal Resource Generated by HPCL
for the period from 2000-01 to 2011-12

7.6 Internal Resource Generated by GAIL
for the period from 2000-01 to 2011-12

7.7 Internal Resource Generation by CPSEs as a whole and selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12.

7.8 Comparative analysis of Annual Growth Rates (%) of Generation
of Internal Resource of the selected Public Sector Oil and Gas
Companies in India during the study period from 2000-01 to 2011-12.

7.9 Contribution to Central Exchequer by ONGC
for the period from 2000-01 to 2011-12

7.10 Contribution to Central Exchequer by IOCL
for the period from 2000-01 to 2011-12

7.11 Contribution to Central Exchequer by OIL
for the Period from 2000-01 to 2011-12

7.12 Contribution to Central Exchequer by BPCL
for the period from 2000-01 to 2011-12

7.13 Contribution to Central Exchequer by HPCL
for the period from 2000-01 to 2011-12

7.14 Contribution to Central Exchequer by GAIL
for the period from 2000-01 to 2011-12

7.15 Analysis of Total Contribution to the Central Exchequer by the CPSEs
as a whole and selected Public Sector Oil and Gas Companies in India
during the study period from 2000-01 to 2011-12

7.16 Comparative analysis of Annual Growth Rates (%) of Contribution to
Central Exchequer of the selected Public Sector Oil and Gas Companies
in India during the study period from 2000-01 to 2011-12.

7.17 Analysis of Value Addition by the CPSEs as a whole
and selected public sector oil and gas companies in India
during the study period from 2000-01 to 2011-12.

7.18 Comparative analysis of Annual Growth Rates (%) of Value Addition
of the selected Public Sector Oil and Gas Companies in India during the
period from 2000-01 to 2011-12.
7.19 Comparative Analysis of Financial Performance of the selected Public Sector Oil and Gas Companies (on the basis of average values) in India during the study period from 2000-01 to 2011-12 237

7.20 Comparative Analysis of selected Value Added Ratios of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12 240

7.21 Comparative Analysis of Financial Performance through Value Added Ratios of the selected Public Sector Oil and Gas Companies in India during the study period from 2000-01 to 2011-12. 242
