In no words can I bound the gratitude for contribution of my respected teachers for their priceless suggestions and helpful loving attitude.

I humbly wish to express my deepest sense of gratitude for having ben associated with Dr. D.N. Mishra-MD, MNAMS, FCCP, Professor of Medicine, M.L.B. Medical College, Jhansi. I am really very lucky to have had an opportunity to work under him. In his footsteps, I have found definite path of rest of my life time, which has provided me the confidence and enthusiasm so essentially vital for successful accomplishment of this project. His constant supervision, constructive and valuable criticism, efficient and unfainting beneficance and above all his affectionate nature, heartening words and constant encouragement have made this work delightful and possible for me.

I owe a great debt of gratitude to esteemed teacher Prof. R. C. Arora, MD, D.Sc., Professor and Head Department of Medicine, M.L.B. Medical College, Jhansi, who provided me encouragement, concrete suggestions and close supervision during the entire period of the study.

It gives me great pleasure to express my thanks to Dr. B. L. Verma, M.Sc., Ph.D., Associate Professor, Department of S.P.M., who helped me to solve out the statistical problems in the present study.
I find words inadequate to express my sublime sense of gratitude to Dr. G.D. Shukla, MD, Ph.D., MNAMS, Associate Professor, Dr. P.K. Jain, MD, MNAMS, Assistant Professor, Dr. Navnit Agarwal, MD, Assistant Professor, and Dr. Praveen Kumar, MD,D.Card., DM,(Card.), Assistant Professor, Department of Medicine, for their valuable suggestion and help from time to time.

I am sincerely thankful to all my fellows, senior and junior who have provided me every help and co-operation at every stage of this work.

I am highly thankful to my parents whose blessings always filled me with confidence and it gives me special pleasure to thanks my wife Mala Verma for her assistance and encouragement during my working period as she has always been doing at every step of my life.

I would like to express my thanks to Mr. P.C. Jain, MRO, Mr. M.K. Sachan, AMRO and Mr. B.D. Sharma, M.R.D. Section, who helped me a lot in this study.

I am greatly thankful to Sri Phool Chandra Sachan for bringing out the work in presentable form by his excellent ability of preparing the type script.

Lastly, I am obliged to the greatest extent to those unfortunate poisoning patients who became the subject of present study.

Dated: 25.9.93
