ACKNOWLEDGEMENT

It gives me immense emotional gratification in expressing my deep sense of heart felt indebtedness and sincere thanks to my esteemed guide and my respected teacher Dr. R.P. Tripathi, M.S., Professor, Department of Orthopaedics, M.L.B. Medical College, Jhansi. It is very kind of him to have suggested such an interesting topic for my thesis work. With his fatherly attitude, affectionate nature and unfathomed knowledge he always guided me unflinchingly throughout this venture. His expert and suggestions constructive criticism and constant supervision went a long way towards the final shaping of this work.

The fatherly attitude, affectionate nature and always encouraging words of my respected teacher Dr. P.K. Dabral, MS, Professor and Head, Department of Orthopaedics, M.L.B. Medical College, Jhansi, constantly provided me the confidence and enthusiasm so essentially vital to such a project.

I am no less indebted to my respected teacher, Dr. D.K. Gupta, MS, Associate professor, Department of Orthopaedics, M.L.B. Medical College, Jhansi who was always a constant source of encouragement and invaluable support at every stage of this work.

Though the words are not adequate, I take this opportunity to express my deep sense of gratitude to my respected par-
ents, sisters, brother in law and other loving family members for their love and sacrifice, constant encouragement, moral support and guidance throughout my life to make me what I am today.

It is impossible for me to forget the co-operation, unaccountable help and encouragement given to me by my colleagues Dr. Vinod Agrawal, Dr. Amit Singhal and Dr. Anurag Purwar, Sister Incharge, Orthopaedics O.T., Sister Incharge Orthopaedics ward and all the staff members of Orthopaedics Department who had helped me to their best for the completion of this work.

I am thankful to Mr. Vinod Kumar Raikwar for speedy and flawless computer typing of this work manuscript.

In last, but not the least, I am thankful to those patients who were the case material for this study.
