

LIST OF TABLES

Sr. No.	Table No.	Title of Table	Page No.
1	1.1	Population (2001-2011) and number of selected samples of suicide victim farmers in selected district and regions of Maharashtra	11
2	3.1	Land use pattern in India during planning period (area in million hectares)	67
3	3.2	Absolute and relative share of rural population in India	68
4	3.3	Gross domestic product and share of agricultural sector in India	69
5	3.4	Plan wise economic and agriculture growth rate in India	70
6	3.5	Plan outlay in agriculture and allied sector during planning in India	72
7	3.6	Share of agriculture in international trade of India	73
8	3.7	Plan wise irrigation potential created and utilized in India	75
9	3.8	Area under major crops in India	77
10	3.9	Production of major crops in India (Million tonne)	78
11	3.10	Per hectare yield (kg) of major crops during 1970-71 to 2010-11 overall India	79
12	4.1	Land utilization statistics in Maharashtra (Numbers in 000 hectare)	91
13	4.2	Average annual rainfall (in mm) and days of rainfall during 2001-2010	94
14	4.3	Population of Maharashtra (Rural and Urban) 1961 to 2011	96
15	4.4	Growth of net state domestic product (at 2004-05 prices)	97
16	4.5	Share in state domestic product by origin of Industry	99
17	4.6	Progress of Co-operative sector in Maharashtra	100
18	4.7	Infrastructural development in Maharashtra during 1961-2011	101
19	4.8	Development of Industrial sector in Maharashtra	102
20	4.9	Number of operational holdings and area operated in Maharashtra	104
21	4.10	Absolute and relative area under major crops in Maharashtra	106

Sr. No.	Table No.	Title of Table	Page No.
22	4.11	Production of major crops and its CAGR in Maharashtra	108
23	4.12	Per hectare yield of major crops and its CAGR in India and Maharashtra	110
24	4.13	Area under Horticulture crops in Maharashtra	112
25	4.14	Progress of Irrigation in Maharashtra	113
26	4.15	Technological development in agriculture during planning period	115
27	4.16	Livestock in Maharashtra (Numbers in thousands)	117
28	4.17	Number of rural branches of SCBs in Maharashtra	118
29	4.18	Credit supply of all scheduled commercial banks in Maharashtra	119
30	4.19	State five year plan and expenditure on various sectors (in percent)	120
31	4.20	Geographical area and gross cropped area in divisions of Maharashtra 2010-11	122
32	4.21	Geographical area and gross cropped area of selected districts in 2010-11	123
33	4.22	Population, GCA, Literacy and Urbanization in selected district in 2011	125
34	4.23	Gross irrigated area (division wise) in 2000-01	126
35	4.24	Number of operational holdings and operated area in selected districts (in percent) during 2010-11	130
36	4.25	Area under principal crops in selected districts of Maharashtra in 2010-11	131
37	4.26	Per hectare yield of major crops in selected districts of Maharashtra during 2010-11 (kg/ha)	135
38	4.27	NDDP and NPCDDP of selected district at current prices in 2010-11	138
39	4.28	Number of offices of scheduled, non-scheduled and cooperative Banks as on march 2008	139
40	4.29	Number of commercial bank offices in rural area during 2007-08	140
41	4.30	District wise outstanding credit of SC banks during 2007-08	142
42	4.31	Availability of products and services in selected districts during 2010-11 (per lakh population)	143
43	4.32	Availability of products and services in selected districts during 2010-11 (per Lakh Population)	144
44	5.1	Number of farmers' suicides in India (by gender)	153

Sr. No.	Table No.	Title of Table	Page No.
45	5.2	Absolute number and relative share of farmers' suicide in major states of India	155
46	5.3	Number of farmers suicide in Maharashtra 1995-2014	156
47	5.4	Number of farmers' suicides and liable for government grants in Maharashtra	157
48	5.5	Absolute and relative number of farmers' suicides in various divisions of Maharashtra during 2001-2011	158
49	5.6	Absolute and relative number of farmers' suicides in districts of Maharashtra during 2001-2011	159
48	5.5	Absolute and relative number of farmers' suicides in various divisions of Maharashtra during 2001-2011	158
49	5.6	Absolute and relative number of farmers' suicides in districts of Maharashtra during 2001-2011	159
50	5.7	PM's relief package outlay objectives and actual outlay as on 31 st April 2008	162
51	5.8	State government package targets and actual outlay as on 31 st April 2008	164
52	5.9	Departure of rainfall from normal rainfall and area affected by drought during 1877-1999 (in percent)	175
53	6.1	Age of respondents	182
54	6.2	Housing status of suicide victim households	187
55	6.3	Number of suicide victim households land sold and reasons	199
56	6.4	Number of SVH had institutional loan prior committing suicide	200
57	6.5	Number of suicide victim households taken non-institutional loan	201
58	6.6	Purpose of institutional loan and actual used by suicide victims	203
59	6.7	Average loan of suicide victim household prior committing suicide (in rupee)	205
60	6.8	Causes of indebtedness among suicide victim	207
61	6.9	Caste of suicide victims (number and percent)	211
62	6.10	Number of suicide victim households received relief grant	215
63	6.11	Number of suicide victims facing different problems	216
64	6.12	Rate of Interest charged on non-institutional loan taken by suicide victims after commit suicide	218

Sr. No.	Table No.	Title of Table	Page No.
65	6.13	Number of SVH benefited through Debt relief Scheme	219
66	6.14	Preference of suggestion given by respondents for preventing farmers' suicide in Maharashtra:	221
67	6.15	Factors responsible for farmers' suicide and its intensity	222
68	7.1	Number of BPL suicide victim household in selected district	244
69	7.2	Analysis table of hypothesis 1	244
70	7.3	Number of selected suicide victim farmers' by size of land holding	246
71	7.4	Analysis table of hypothesis 2	246
72	7.5	Number of selected nuclear suicide victim households	248
73	7.6	Analysis table of hypothesis 3	248
74	7.7	Number of indebted suicide victims and level of indebtedness prior committing suicide (in rupees)	249
75	7.8	Analysis table of hypothesis 4	250
76	7.9	Two-way ANOVA: Regions V/S Level of Indebtedness	250
77	7.10	Number of working and dependent age group suicide victim	251
78	7.11	Analysis table of hypothesis 5	251
79	7.12	Per hectare yield of major crops in selected district, Maharashtra and India (Kg/ ha)	252
