ACKNOWLEDGEMENTS

First of all I express my deepest regards to all the patients who have been the subjects for my study. I am highly obliged to them.

With profound sense of gratitude I pay my obeisance to my esteemed and exalted teacher and guide Dr. D.D. Verma, M.D., D.A., Assistant Professor, Department of Anaesthesiology, M.L.B. Medical College, Jhansi, for his able guidance, invaluable advices and scholarly instructions, that helped me to carry out this study successfully.

I am highly thankful to Dr. P. Sahi, M.D., D.A., Assistant Professor, Department of Anaesthesiology, M.L.B. Medical College, Jhansi, whose valuable advices, keen interest, timely and constructive criticism and able guidance made possible for me to accomplish this work.

I am highly obliged and thankful to all of my senior teachers especially Dr. U.C. Sharma, M.D., D.A., Professor and Head, Dr. A.K. Gurwara, M.D., D.A., Associate Professor and Dr. (Mrs.) Veena Gupta, M.D., D.A., Assistant Professor, Department of Anaesthesiology, M.L.B. Medical College, Jhansi for their affectionate nature and constant encouragement at every step.

I am highly obliged to all my colleagues in the Department, who always extended kind co-operation to me throughout the period of this study.
I dedicate this work to my family members who have been a continuous source of inspiration and encouragement during my busy schedule in conducting the study.

I should not forget to thank Sri Phool Chandra Sachan for his untiring efforts while preparing this manuscript in such a nice form.
