ACKNOWLEDGEMENTS

Grateful acknowledgement is extended to my advisor Dr. B.R. Bhonsle (Member, Maharashtra Public Service Commission; Ex-Vice-Chancellor, Marathwada University) who has taken time to listen to my ideas and to point me in the right direction. His thoughtful suggestions and comments are also greatly appreciated. I wish to express my thanks for his responsiveness and sincere interest.

I would also like to express my thanks to the Head, Department of Mathematics, Marathwada University for his kind co-operation and for providing necessary assistance.

It is a pleasure to acknowledge the constant encouragement received from Prof. R.N. Kaul and Prof. B.S. Yadav of the Department of Mathematics, University of Delhi, and Prof. B.D. Sharma of the Department of Mathematics, University of the West Indies, Trinidad.

I must thank the librarians of Delhi University Central Library, Delhi; I.I.T. Library, New Delhi; National Physical Laboratory Library, Delhi; Indian National Science Academy Library, New Delhi; Mohta Research Institute of Mathematics and Mathematical Physics Library, Allahabad; and International Centre for Mechanical Sciences Library, Udine (Italy) for their cooperation.

(ii)

Special thanks are extended to Shri Mohan Lal, Principal, P.G.D.A.V. College for his ever encouraging attitude throughout the course of these investigations.

I gratefully acknowledge the financial support provided to me by Indian Space Research Organisation, Govt. of India, and University Grants Commission.

I must thank Mr. Tilak Raj for his untiring efforts in typing and retyping.

Last, but not the least, I owe a special debt of gratitude to my wife Manjula for the patience which she has shown and to my parents for their ever encouraging hand making me succeed in the task of preparing this thesis also.
