

ACKNOWLEDGEMENTS

To begin, in gratefulness I fall at the feet of my Lord and Saviour Jesus Christ without whose grace nothing is possible in this creation or beyond that. For the word of God says, “**Apart from ME, you can do nothing.**” (NIV, John 15:5), God Almighty has been my source of wisdom and strength. I am indebted my gratitude to HIS divine blessings for making me complete this research work.

I am greatly thankful to **Dr Pethuru Raj, Ph.D**, Infrastructure Architect, IBM Global Cloud Center of Excellence, Bengaluru for his inspirational and scholarly guidance throughout my research work. It has been a pleasure, privilege and blessing to work under his supervision. I hereby acknowledge my deep sense of gratitude to him for his tireless effort and for dedicating his precious time in guiding me with valuable ideas right from the selection of a topic to the completion of this work.

I express my profound gratitude to **Dr Fr Thomas C Mathew**, Vice-chancellor, Christ University for providing me an opportunity to undertake the research work and for the support and inspiration all through my research. I express my sincere gratitude to **Dr Fr Abraham V M**, Pro Vice-chancellor, Christ University for the whole hearted support and encouragement throughout my research work. I express my sincere gratitude to **Dr Fr Varghese**, Finance Officer and **Dr Anil Pinto**, Registrar, Christ University for their encouragement. I am obligated to beloved **Fr Benny Thomas**, Director, Christ University Faculty of Engineering for his endless support, encouragement and guidance in every step of my research work. I thank **Dr Fr Joseph Varghese** for his encouragement and support throughout the research work. I sincerely thank

all the fathers in Administration, Christ University for their support, help and care.

I am grateful to **Dr Tony Sam George**, Additional Director, Center for Research, Christ University for his valuable support to complete my work. I express my sincere gratitude to **Dr S. B. Gudennavar**, Associate Director, Centre for Research, Christ University for his continuous support and precious time spending for me throughout my research. His patience to go through my work, gentle inspiration and his constant guidance have inspired me a lot. His clarity of thought, insightful analysis and taste for perfection are qualities are worth being emulated. I extend my heartfelt thanks to **Dr Sebastian K A**, Associate Director, Centre for Research, Christ University for his support and guidance. I thank **Dr S. Srikanta Swamy**, Former Additional Director, Centre for Research, Christ University for his guidance and his words of advice to complete this thesis. I thank **Mr. James Kurian**, Assistant Coordinator, Centre for Research for his support whenever I needed.

I acknowledge my sincere thanks to **Prof. Joy Paulose**, Head, Department of Computer Science and **Dr Fr Jossy P George**, Director, Christ Institute of Management, Pune for their wholehearted support in completing this research. I extend my sincere thanks to **Dr Beulah. S, Prof. J. Saleema, Dr K. N. Saravanan, Dr Nachamai, Prof. Vinay, Prof. Roseline M** and all the colleagues in the Department of Computer Science, Christ University for their encouragement and support. I thank **Mr. Sreekumar**, Librarian, Christ University for his valuable assistance in testing the originality of the research work.

I specially thank my student friends **Karthik R, Girish, Deepika S** and **Fabian** who have worked along with me during the period of my research through simulating discussions and analysis.

I thank beloved **Dr Fr Xavier Ilango**, Pastor, Sacred Heart Church, East Grand Forks, MN, USA for his love, care, encouragement, prayers, blessings and timely support throughout my research. I express my gratitude to **Rev. Sr. Nancy**, Vice Principal, St. Charles High School, Bengaluru for her inspiration and prayers. I thank **Rev. Fr. Lawrence SMM**, for his constant support and prayers throughout my research work. I thank my beloved father **Mr. J. Z. Daniel** for his continuous support, love, encouragement, prayers and blessings to bring me to the status where I am now. I sincerely thank my siblings and their families for their constant encouragement, support and for standing beside me at the time of trials.

I thank my dear wife **Ms. Leema Augustine** for being the backbone of my research. I thank her for all her love, care, prayers, patience and incessant encouragement. I owe my thanks to my beloved little angels, daughters **Lisa** and **Leah** for their love, care and understanding.

I specially thank my late mother **Mrs. Mary Josephine Daniel** who supported me in every step of my life and wished and dreamt a lot about this research many years back.

I dedicate this thesis to my late beloved mother Mary Josephine Daniel.

-D. Peter Augustine
