Acknowledgements

It is indeed a matter of great privilege to express my deep sense of gratitude and indebtedness to my supervisor Prof. Dhruva Kumar Jha, Department of Botany, Gauhati University, Guwahati for his maneuver guidance, valuable suggestions, constant support and encouragement throughout the entire course of investigation.

I would also like to acknowledge my thanks to Head, Department of Botany, Gauhati University, Guwahati for providing me the opportunity to carry out the research work in the Department. I am also indebted to all the faculty members of the Department for their valuable suggestions.

I express my thanks to Colliery Manager of Ledo, Tikak and Tirap colliery of Tinsukia District of Assam for assisting me during my sampling.

I would also like to acknowledge my indebtedness to all the research scholars of the Department of Botany, Gauhati University, Guwahati for their constant support and encouragement.

I am also thankful to my laboratory mates of Microbial Ecology Laboratory Reena Barman Kalita, Pranabananda Bhattacharyya, Kamal Lochan Barman, Prabhali Doley, Dipon Sharma, Afrida Hussain, Bidisha Sharma, Jintu Rabha, Deepanwita Deka, Monsumee Alam, Jayshree Talukdar, Debulman Syiemiong, Sashiprova Devi, Pranjal Morang and Akash Kedia without whose support and interaction this work would have been impossible.

I express my thanks to my family for their wonderful support and patience shown throughout my research work. The motivation of my parents for higher education from my childhood helped me to move on the right path and achieve this goal. I express my gratitude to my teacher Dr. B. B. Das, Ex-Principal G. C. College, Silchar, Assam for the visionary guidance and encouragement that stimulated the zeal to achieve the goal. I would also like to thank Sushma madam for her encouragement, motivation and moral support to achieve the greater heights in my life.
I express my thanks to my friends Sanjib, Bani, Mazedul, Guddu, Hamim, Matin, Alim, Safiq, Kibriya, Ram, Daimalu, Dhruba, Prabin Phanjom and others for their ever ending best wishes for my Ph.D. work.

I am also thankful to all the boarders of V. V. Rao Research Scholar Hostel, Gauhati University for their constant support. I would also like to express my thanks to my hostel roommate Surojit Deka for his support and cooperation.

I would like to acknowledge research scholars of other departments of Gauhati University Arun Jyoti Borah, Subashish Roy, Montu Mahanta, Nayan Khound, Vivek Verma, Montu Kumar Borah, Mintu Das and Sushanta Kumar Roy for the valuable interactions related to my research work.

I am thankful to office staff of the department for their constant help and support. I would also like to express my thanks to Ritlal Sahni and Ramzan Ali (chowkidar of Botanical Garden) and Jitendra Ray (laboratory assistant) for their help and cooperation throughout the work.

I would also like to thank Rajiv Das of Choudhury Photostat, Satmail, Guwahati for his involvement and cooperation as and when necessary during my research work.

The financial assistance from the University Grants Commission (UGC), Government of India in the form of Maulana Azad National Fellowship (MANF) for the research work is highly acknowledged.
