First of all I pay my deep sense of sincere regards and gratitude to my supervisor Dr. G. U. Guruduttta, Scientist F & Head, Stem Cell & Gene Therapy Research Group, for his guidance, kind co-operation and keen interest which he bestowed upon me during my investigation to achieve my goal.

I express my deep gratitude to my co-supervisor Dr. Farhat Afrin, Asst. Professor, Dept of Biotechnology, Jamia Hamdard University, for her guidance, kind co-operation, constructive suggestion and help during my investigation period to pursue my goal.

My heart find no words to express my deep sense of indebtedness and grateful emotions to Dr. R.P. Tripathi, Scientist H & Director, INMAS-DRDO, for his consistent support, Kindness, generous help and immense care, which sustained me and make able to keep walking in path to achieve my goal. I am debtful and thankful to him not only this moment instead in each and every moment of life when I move one step up in my life wherever.

I deem it a privilege to express my deep gratitude to Dr. B.S. Dwarkanath, Scientist G & Head, Division of Radiation Biology, INMAS-DRDO, who has been a source of inspiration, motivation and encouragement throughout my PhD tenure which acted as a driving force to achieve my target in this journey.

The words at my command are really inadequate to express my deep gratitude to technical-coordination committee of INMAS-DRDO during my PhD tenure, Dr N.K. Chaudhuri (Scientist F), Dr. Rajesh Arora (Scientist E), Sudeep Ranjan Nayak (Scientist B), Mr. R. K. Rawal, Mr. Dheeraj Singh, Mr. H.C. Pandey. My heart will always be grateful for providing me help and support during my needful time.

I express my heartfelt gratitude to Dr. Rajeev Vij, Scientist F, HRD-Head for his generous help and support during my needful time, which helped me greatly to see this light of day.

My heartfelt grateful feelings are difficult to express in words for Doctoral Committee & Dept of Biotechnology, Jamia Hamdard University, Dr. S.K. Jain, Dr. M.Z. Abdin, Dr. P.S. Shrivastwa, Dr S. Sultana, and Dr S. Raisuddin for their judicious co-operation and support.

I express my deep sense of thanks to Dr. Anant Narayan Bhatt (Sc. C), Dr. I Prem Kumar (Sc. D), Dr. Pawan Agarwal (Sc. D) and Dr. Ravi Soni (Sc. C) for their valuable help and
kind co-operation whenever I needed during my investigation which helped me greatly to complete my research experiments. I am also thankful to Dr. Sudhir Chandna (Sc. F) for providing me real time PCR facility for my research work.

I express my deep gratitude to Shri Sunil Kumar, Director, EMU-DRDO Residential complex for his careful, helping and supportive response in providing me peaceful accommodation during my tenure.

I am especially thankful to Saurbh Singh who always extended his best possible help, support and faith during my thinner period of time. I am thankful to Dr. R Kumar Swami, Dr. Jyoti Swaroop, Dr. Shubhankar Suman for their helping and cooperative attitude during my PhD tenure.
