ACKNOWLEDGEMENT

I express my sincere gratitude to my august supervisors Dr. T.G. Palanivelu, Professor, Department of Electronics and Communication Engineering and Dr. K. Manivannan, Professor, Department of Electrical and Electronics Engineering, Pondicherry Engineering College, Pondicherry, for their proficient and enthusiastic guidance, advice and encouragement, which were the constant sources of inspiration for the completion of this research work.

I also place on record my deep sense of gratitude to Dr. Narayana Prasad Padhy, Assistant Professor, Department of Electrical Engineering, Indian Institute of Technology, Roorkee and Dr. P. Venkatesh, Assistant Professor, Department of Electrical and Electronics Engineering, Thiagarajar College of Engineering, Madurai, for extending moral support and technical discussions as and when required during the work.

My sincere thanks are also due to Dr. S.C. Srivastava, Professor, Department of Electrical Engineering, Indian Institute of Technology, Kanpur, Dr. S.A. Soman, Dr. S.A. Khaparde and Dr. A.M. Kulkarni, Professors, Department of Electrical Engineering, Indian Institute of Technology, Bombay and Dr. P. Dananjayan, Professor and Head, Department of Electronics and Instrumentation Engineering, Pondicherry Engineering College, Pondicherry, for their valuable suggestions during the work.

I thankfully appreciate and acknowledge my indebtedness to fellow research scholars Mr. K. Elanseralathan, Mr. S. Jeevananthan and Mr. Sishaj P. Simon and my project students for their cooperation, moral support and collection of materials during
the work. I express my sincere thanks to Dr. (Mrs) Shanthi Simon and Dr. S. Arul Krishna Moorthy for doing the grammatical correction in this work.

I am thankful to the technical staff Mr. G. Mohanraj, Mr. S. Sagayaraj and other staff of our department for their timely help in Electrical Simulation Laboratory.

My special, sincere, heartfelt gratitude and indebtedness are due to my mother, father, mother-in-law, father-in-law, co-brother Mr. M.S. Sivakumar and Sister-in-law Mrs. S. Vijeya Lakshmi (USA) for their sincere prayers, constant encouragement and blessings.

I am proud to dedicate this research work to my wife Dr. (Mrs.) R.S. Jeyalakshmi and loving daughter R.G. Naveena @ Iswaria, without whose encouragement and support, I would not have been able to complete the work in time. I owe a deep sense of gratitude to the All-pervading Spirit whose Divine Light provided me the perseverance, guidance, inspiration, faith and strength to carry on even when the going got tough.
