Acknowledgement

My Supervisor Dr. C. Krishnan (Lecturer (Sel. Gr.), Govt. College, Kodenchery) has always been a source of inspiration and encouragement for me ever since I have conceived the idea for undertaking the project. Words are not sufficient to express my gratitude for the countless discussions I had with him, resulting in modification and fine-tuning of many of my half-baked ideas on this topic.

Though not my formal supervisor, Dr. Mani, K.P. (Professor, Dept. of Economics, Dr. John Mathai Centre, Trichur) has helped me immensely throughout the course of this work. I express my gratitude to him for his constant encouragement and dynamic supervision without which it could not have been possible for me to complete this work.

I also thank Dr. Damayanthi, H.O.D. of Economics, former H.O.Ds Prof. P.P. Pillai, Dr. D.P. Nair and Dr. Kuttikrishnan at Dr. John Mathai Centre Aranattukara, Trichur. I extend my warm regards to Prof. Lakshmi Devi and other members of the faculty, Department of Economics, University of Calicut for the help rendered by them.

I record with gratitude the valuable assistance extended by Dr. K.K. Subrahmanian, Dr. Mohanan Pillai, Dr. Pushpangadan, Dr. Parameswaran and Dr. Beena of Centre for Development Studies, Trivandrum.

I am deeply indebted to all my colleagues in my Department. Particularly, I would like to thank Dr. N. Radhakrishnan, Dr. P. Sivasankaran and Mr. Rahul, for their right advice.
I thank my friends Dr. M.K. Ramakrishnan, Dr. P. Rajagopalan and Shri. C. Nandakumar (Dept. of Commerce), Shri. F.D. Sani (Dept. of Statistics), Dr. P.K. Prabha and Dr. Prabhavathi (Dept. and English), Dr. Joni. C. Joseph (Former Faculty, Dept. of Sociology), and Sri. Mohanakrishnan (Computer Centre) of Z.G. College for their help and encouragement. I must also thank Sri. Thomachan, Lecturer (Dept. of Economics), St. Joseph's College, Devagiri Calicut and Prof. Jayaprakash (Dept. of English), Farook College, Calicut for their help.

During the course of my work, I had the opportunity to meet some of the renowned economists. In this context, I wish to thank Prof. Prabhat Patnaik, Prof. B.N. Goldar, Prof. V.K. Seth, Dr. Raghavan (IES) and others for sparing their valuable time for discussion with me on the topic.

Thanks are also due to the Office and Library Staff of various institutions which include office and library staff of Dr. John Mathai Centre, and library Staff of JNU, Delhi School of Economics, Institute of Economic Growth, National Institute of Public Finance and Policy, Indian Institute of Management, Calicut, University of Kerala, University of Calicut, University of Science and Technology, Cochin, The Zamorin's Guruvayurappan College, Calicut and the Regional Research Laboratory, Trivandrum.

I thank Managers and Staff of various tile manufacturing units in Kerala for providing valuable information for the preparation of this project.

I must thank Mr. Balu, Bina Photostat, Chenakkal for neat printing and binding of this dissertation.

On the occasion, I remember with boundless love and gratitude my parents and teachers who made
what I am today. I must thank the Almighty who has enabled me to make the impossible, possible in my life.
