ACKNOWLEDGEMENTS

First of all I am extremely grateful to the almighty, who bestowed me with courage and strength to accomplish my research work.

I feel immense pleasure to express my deepest sense of gratitude, indebtedness and sincere appreciation to my esteemed supervisor, Prof. M.K. Seth, Department of Bio-sciences, Himachal Pradesh University, Shimla-5, for his valuable guidance, vigilant supervision, constructive criticism, and whole-hearted co-operation during the entire period of execution of this research work. He always encouraged me and actively participated, both in field work and in the laboratory. I am also thankful to him for allowing me to reproduce some photographs from his personal collection and some portions of the text from his personal notes and publications. I am highly inspired with his simplicity and straight forwardness in life.

I would like to extend my sincere thanks to the Chairman, and other faculty members of the Department of Bio-Sciences, Himachal Pradesh University, Shimla-5, for providing the necessary facilities and for being a constant source of inspiration throughout the study.

I am highly obliged to the Directors, National Botanical Research Institute (Lucknow), Central Drug Research Institute (Lucknow), and Botanical Survey of India, Dehradun (Uttarakhand) for allowing me to consult the herbarium of their respective institutes for the identification of my asteraceous plants collections.

I gratefully acknowledge the co-operation and help extended to me by the library staff of H.P. University, Shimla; Central Potato Research Institute (Shimla), Botanical Survey of India (Dehradun), Central Drug Research Institute (Lucknow), National Botanical Research Institute (Lucknow), Lucknow University (Lucknow), University of Delhi (Delhi), Hamdard University (New Delhi), Indian Agricultural Research Institute, (New Delhi), Council of Scientific and Industrial Research (New Delhi), NISCAIRE (New Delhi) and G.B. Pant Institute, of Himalayan Environment and Development Almora (Uttarakhand) for consulting their libraries.
I also take this opportunity to extend my sincere thanks and profound appreciation to my fellow research scholars and lab-mates especially Mr. H.C. Negi (for his company and co-operation during field visit to District Kinnaur), Mr. Ranjeet Thakur, Dr. Amit Chawla, Ms. Usha, Mr. Harish, Mr. Rakesh, Mr. Shashi Kant, Ms. Aruna, Ms. Archana, Ms. Seema, and Ms. Poornima for their help in various ways.

I would like to place on record my deep hearted appreciation to all my friends especially Dr. Rajinder Thapaky, Mr. Umesh Narta, Mr. Subodh Jaret, Mr. Rajesh Azad, Mr. Prikshit Gautam, Mr. Rahul Lohta and Mr. Mohinder Chauhan for their moral support and constant encouragement during entire course of research work.

Words fail to express my sense of indebtedness to my father Sh. Atma Ram Sangta and mother Smt. Maheshwari Devi for their blessings, sacrifice, encouragement and all the hardships they faced to enable me to reach the goal of higher learning. I am also thankful to my brothers especially Mr. Jitender prakash for taking very good care of me during the compilation of this research work.

I am thankful Mr. Tilak Sharma for typing the manuscript.

Lastly the financial assistance in the form of Junior and Senior Research fellowships awarded to me by Council of Scientific and Industrial Research (New Delhi) is gratefully acknowledged.
