

ACKNOWLEDGEMENTS

First of all I want to express my sincere thanks to my teacher and thesis supervisor Dr. Bhupinder Singh Marh. Reader, Department of Geography, H.P. university Shimla, under whose guidance and supervision the present study was undertaken and completed. I have no words which can express fully my gratitude to him for the help he rendered and the pain he took in bringing this work to its final shape.

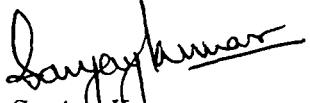

I am thankful to Dr. J.C. Sharma, Dr. Anurag Sharma, Mr. Krishna Mohan and Mr. P.D. Bhardwaj for their help and Mr. Pankaj and Mr. Kuldeep of Him Academy Hamirpur for thesis help in computing the data.

I am thankful to all my friends for their co-operation and constant encouragement. Here I want to express thank to Mr. J.L. Bhardwaj who helped me in various ways during the course of this work.

I am thankful to my sister, brother-in-law and nephew for their co-operation. Here I want to make a special mention of my wife who gave me constant encouragement and who have been the main source of inspiration to me.

Last but no the least I express my deep sense of gratitude to my parents who have always been a driving force behind all my achievement.
