ACKNOWLEDGEMENTS

I express a deep sense of gratitude and indebtedness to my teacher and supervisor Dr. V.R. Sharma, Associate Professor, Department of Physics, Himachal Pradesh University, Shimla for his pellucid guidance, constructive counsel and untiring investigations. It was in fact the inextinguishable illumination which was kindled by my revered teacher which became my beacon light in attaining the present goal.

I gratefully acknowledge my feelings and my sincere thanks to Prof. K.C. Sharma, Chairman, Department of Physics, for providing me the necessary laboratory facilities. Sincere thanks are also due to Prof. S.P. Sud, Dr. S.C. Katyal, Dr. B.K. Pal and Dr. P.K. Raina for their unceasing help and discussions.

It is my pleasure to extend my sincere thanks to Sanjeev Sharma, Manita Sharma, Sh. Ashok Sharma, Lecturer in Physics, BBN Chakmoh, all teachers of Department of Physics, G.G.D.S.D. Baijnath and Mr. Rajinder Sharma, D.A.V. Kangra, for their help in various ways during the present work.

I am grateful to all the staff members of Department of Physics, Himachal Pradesh University, Library staff of NPL, IIT, Delhi and HPU Shimla for their help and cooperation.

Words fail me to convey the depth of my feelings to my Uncle Sh. S.N. Sharma and Aunt Mrs. Neeru Sharma and to other family members for their help, encouragement and moral support at all stages.

This work is incomplete if I do not mention of my parents, parents-in-law, Brother, Brother-in-law, Sisters and Sister-in-law who have always been the driving force behind my achievements and whose sheer affection, inspiration and support enabled me to complete the project.
