Acknowledgements

With great pleasure, I record the deep sense of gratitude and indebtedness to Dr. Pradeep G. Bhat, Professor, Department of Mathematics, MIT, Manipal, for his invaluable guidance, criticism and meticulous care throughout my research career.

I express my thanks to Dr. Ram Narayan, Vice chancellor, Manipal University, Dr. Vinod V. Thomas, Director, MIT, and Dr. D. Srikanth Rao, Joint Director, MIT, Manipal for providing me all the research facilities at the institution. I also thank Dr. G.K Prabhu, Registrar, Dr. Raghuvender Pai, Director, Directorate of Research, and Dr. C.S. Adiga, Dy. Registrar, Technical, Manipal University. I also extend my thanks to Dr. A. Sesappa Rai, Professor and Head, Department of Mathematics, who helped me to the maximum extent possible in all his capacities. Thanks are due to Dr. Raviraja A, Associate Director, R&D, Manipal University, Dr. G. Sudhakara Adiga, Professor, Department of Mathematics, Internal Member, DAC, and Dr. Shyam Kamath, Associate Professor, Department of MACS, NITK, Surathkal, External Member, DAC, for their invaluable suggestions and help in all the eight DAC meetings held in my research period. It is my duty to thank all the teaching and non teaching staff of Department of Mathematics, MIT, Manipal.

I started my profession as Lecturer in Mathematics way back in 1989 in the Department of Mathematics, Nehru Memorial College, Sullia and presently working on deputation as Associate Professor, Department of Mathematics, Milagres First grade college, Kallainpur, Udupi. It is my proud privilege to thank Dr. Sri Kurunji Venkatramana Gowda, Founder President AOLE, Sullia, for his
constant support and encouragement for higher studies. I profusely thank Dr. K.V.Chidananda, Vice president, Mrs. Shobha Chidananda, Treasurer AOLE, Sullia, for providing necessary needs in pursuing my higher studies. Dr. Prabhakara Shishila, Principal, NMC, Sullia and Dr. Neri Carnelio, Principal, Milagres College, Kallianpur, extended all possible help to me. They allowed me to carry out research and teaching hand in hand. My special thanks to both of them. I also thank Fr. Fredrick Mascharenhas, Ex Principal, Milagres College, Kallianpur, for his encouragement.

I take this opportunity to thank my colleagues at NMC Sullia, Milagres College, Kallianpur, teaching and nonteaching staff of Department of Mathematics, MIT Manipal, friends, relatives and most importantly my students who have been my real strength. They not only inspired me for higher studies but also encouraged at every moment. Last, but not the least, I thank each and everyone who helped me directly or indirectly in their own capacity.
