ACKNOWLEDGEMENTS

I express a deep sense of gratitude and indebtedness to my teacher and supervisor Prof.(Dr.) Hari Om Agrawal, Department of Bio-Sciences, Himachal Pradesh University, Shimla for his pellucid guidance, constructive counsel and untiring willingness to help me throughout the course of present investigations. It was infact the inextinguishable lumination which was kindled by my revered teacher which became my bacon light in the attainment of present goal.

I gratefully acknowledge my feelings of gratitude and owe my sincere thanks to Dr. T.C. Bhalla, presently at Nippon Mining Co. Ltd. Saitama, Japan for his inspiring guidance, unceasing help and moral support without which this work could not have attained the present shape.

It gives me pleasure to extend my sincere thanks to Prof. Anupam Varma, Deptt. of Mycology & Plant Pathology, IARI, New Delhi; Dr. Rakesh Jain (Scientist), IMTECH, Chandigarh; Prof. H.M. Dani, Deptt. of Biochemistry, P.U. Chandigarh and Dr. S.N. Paul Khurana & Dr. M.N. Singh, CPRI, Shimla for their help in various ways during present work.

I take this opportunity to asseverate my sincere thanks to Prof. R.K. Malhotra, Prof. V.K. Rai and Dr. R.S. Thakur, Deptt. of Bio-Sciences, H.P. University, for their help in various ways during the present investigation.

I gratefully acknowledge my feelings of gratitude and sincere thanks to Dr. Tej Partap and Dr. Uma Partap, ICIMOD, Kathmandu Nepal; Dr. M.D. Upadhyya and Dr. K.C. Thakur, CIP, New Delhi; Prof. S.S. Sajwan, G.D.C., Solan; Dr. R.P. Bhatt, Department of Botany, Garhwal University, Sringar; Sh. A.P. Vashisth; Mr. Jagdish Thakur and Dr. N.S. Bist, Deptt. of Economics, H.P. University whose cooperation help and moral support was available to me in various ways at all stages.
Words fail me to convey the depth of my feelings of gratitude and sincere thanks to my friends Drs. R.K. Kakkar, Kuldeep Rana, Chaman, Madhu, Mr. Ambrish Sood, Ajeet Agnihotry, Yogesh Gupta, Ashwani, Dr. Arun Sharma, Er. Vijay Thakur; Mr. Sreenatha Rao, Sanjay Mehta, Yugal, Sudhir, Soni, Dr. Balbir, Mr. Jagjit, Anand, Lal Singh, Pawan, Ms. Maninder, Taru, Leena, Mr. Narender Sharma and my labmates specially Dr. Nivedita and Mr. Narayana Thakur for their help, encouragement and moral support at all stages that enabled me to complete the research problem undertaken.

I am grateful to all the staff members of Department of Bio-Sciences, H.P. University especially Mr. Ravi Patiyal and Sh. Vijay Mahajan and Library Staff of IARI - New Delhi; IMTECH - Chandigarh, Panjab University Chandigarh; CPRI Shimla and H.P. University for their help and cooperation during the present study.

Financial assistance rendered by Dr. M.D. Upadhya, The International Potato Center (CIP) Region VI, South Asia, New Delhi and by CSIR in the form of S.R.F. is gratefully acknowledged.

This work would remain incomplete if I do not make mention of my parents and brothers J.P., Vinod and Shekhar and dear Sharmila who have always been a driving force behind my achievements and whose sheer affection, inspiration and moral support enabled me to complete the present investigation.

In the last but not the least, my success if any, is dedicated to my teachers, parents and friends.

Dt.: June 27, 1990.

(ARVIND KUMAR BHATT)
