ACKNOWLEDGEMENT

First of all I pay all my homage and designate my emotions to the lord almighty whose blessings promote me to accomplish this interesting task. This task required effort from many people without them it would not have been completed.

It is with great pleasure and with deep sense of gratitude, to my esteemed mentor and guide Dr. Pankaj S. Patel, Associate Professor in Chemistry at Sheth L. H. Science College, MANSA who has inspired me with keen interest and ever vigilant guidance without which this task could not have been achieved. He has not only guided me but also acted as a co-traveler throughout my research work. It is the result of his unfailing efforts and meticulous training that today I have reached my destination.

I express my sincere thanks to Dr. L.P. Joshi, Principal of My College and Management of EMHS and Patel JDKD Education Trust, Borsad for providing me necessary research facilities to carry out this work at the college laboratory.

I am also thankful to Dr. D.D. Agrawal (Vice-Chancellor of JIJT-University-Rajasthan), Dr. Monalisa Boruah (PhD Coordinator of JIJT-Univ.-Rajasthan), Dr. N.C. Desai (Head, Chemistry Department, Bhavnagar University, Gujarat) and Dr. Atul Makwana, Dr. N.J. Parmar, who provided me all kind of moral support that I needed to carry out my this research work.

I am grateful to my colleagues Mr. Vijay Bhoi, Mrs. R.B. Shah, Mr. N.J. Shah, My Students Mr. Karan Patel, Mr. Mihir Choksi, Mr. Imran Pathan, Mr. Darshan Rathod and
Mr. Jignesh Patel and Mr. Hardik Gohel from St. Xavier's College, Ahmedabad and Mr. Dhansukhbhai from Micro-care Laboratory, Surat and SAIF, Punjab for their co-operation & kind support.

I am equally thankful to all the teaching and non-teaching staff members of the Chemistry Department, Patel JBR Arts, Patel AMR Commerce, Patel JDKD Science College, BORSAD and Sheth LH Science College, MANSA to boost my moral.

I am very much grateful to my beloved parents Mr. Hasmukhbhai M. Shah and Mrs. Kokilaben H. Shah and my Daughter Miss Pooja Shah for their kind and affectionate co-operation during the entire research work and in beautifying the presentation of work in the form of Thesis.
