ACKNOWLEDGEMENT

I would like to express my earnest gratitude to Dr. P. Thambidurai, Professor and the then Head of the Department of Computer Science and Engineering and Information Technology, Pondicherry Engineering College, Puducherry for his supervision and for all his efforts through these years. I will be ever grateful to him for his valuable advice, moral support and help during this period. His consistent encouragement and personal attention are accountable for the successful completion of this thesis.

I express my sincere thanks to Dr. T. G. Palanivelu, Principal, Pondicherry Engineering College and Dr. K. Ethirajulu, Former Principal, Pondicherry Engineering College for their support and permission to carry out the research work. I thank Dr. K. Vivekanandam, Professor and Head of Department of Computer Science and Engineering and Information Technology for his support to complete the thesis.

I sincerely thank the Doctoral Committee members, Dr. K. M. Tamizhmani, Professor of Mathematics and Dr. R. Subramaniam, Professor of Computer Science, Pondicherry University for their valuable suggestions to carry out the research. I owe special thanks to Dr. S. Kuppuswami, Professor of Computer Science and Director (Studies), Pondicherry University for his support.

I am indebted to Dr. Bala Srinivasan, Professor of Computer Science and Engineering, Monash University, Clayton, Australia for his consistent encouragement and support during the preparation of the thesis. I thank Dr. N. Sreenath, Professor of Computer Science and Engineering for his suggestions during the period of research.

I am very much grateful to Prof. D. Gnanasekaran, Prof. D. Govindarajulu and Prof. S. Sivamurthy Reddy for their valuable inputs and insights for the correction of the Thesis. I would like to thank all my fellow researchers for their help in all respects and all my colleagues who spent their precious time to improve the quality of this thesis.
Finally, I wish to thank my parents Mr. S. Rajendran and Mrs. R. Rajakantham, wife Mrs. M. Ponni, son M. Dinesh Aravindth and friends for their constant support and encouragement throughout this endeavor.

R. MANOHARAN
