ACKNOWLEDGEMENTS

I deem it a great opportunity to acknowledge with profound pleasure and privilege my gratitude to Dr. Surender Singh Narta, Assistant Professor, my esteemed research supervisor under whose valuable guidance, scholarly advice and constructive criticism, I have carried out the present work. Without his valuable guidance, frequent interaction and whole hearted encouragement, the present work would have been much difficult. In fact, my heart overflows with gratitude for his ever meticulous care, patience and warm personal affection towards me which will always remain high in my mind.

I also thank Dr. Desh Raj Gupta, Chairman, Department of Commerce, Himachal Pradesh University, Shimla for his valuable guidance and for creating necessary facilities for rendering the smooth completion of present work. I also wish to record herein my profound reverence to Dr. Bal Krishan and Dr. Desh Raj Gupta, Department of Commerce, Himachal Pradesh University, Shimla, whose commitment towards work coupled with rich academic and research experiences have been a source of constant inspiration to me.

Though it would be very difficult to make mention of all the individuals who have helped me either directly or indirectly in the completion of present work, the following deserve a special mention.

It is both my pleasure and duty to acknowledge with all humility my grateful thanks for the necessary co-operation and valuable guidance given to me by Sh. K.L. Thukral, Advisor (Transport Research), Sh. H.C. Chandawat, Assistant Director (R) and other officials at Transport Research Wing, Ministry of Surface Transport, Govt. of India, N.Delhi. I gratefully acknowledge for the co-operation and guidance received from the officials of the H.P. State Pollution Control Board Shimla, Himachal Pradesh Public Works Department Shimla and Statistical Deptt., Govt. of Himachal Pradesh Shimla. I also thank Sh. Sukhdev Singh (Technical Officer) and other officials of Transport Deptt., Govt. of Himachal Pradesh Shimla for their valuable contributions.

The Libraries which I frequented most while carrying out the present study were - Central Secretariat Library N.Delhi, National Council of Applied Economic Research
Library N.Delhi, Panjab University Library, Chandigarh and of course the Library of Himachal Pradesh University, Shimla. I sincerely thank for the co-operation that I received from the staff members at these Libraries.

I also sincerely thank the officials of State Bank of India Shimla Module, whose ideas and valuable contributions helped me not only in framing of the questionnaires, but also guided me in widening the scope of my present work. My deep sense of gratitude are also due to both - The Goods Transport Operators in Himachal Pradesh and the Bankers financing them, for their favourable responses.

I pay my profound respect to my father Sh. Jaya Nand Sharma and mother Smt. Jai Devi Sharma who have constantly encouraged me since childhood to grow up my academic talent. I heartly thank my brothers Praveen, Ashok, brother-in-law Manish and sister-in-law Rashmi for the frequent concern shown by them to see my research work through.

My thanks are also due to Sh. G.R. Sharma who took great pain in typing this manuscript with all exactitude and making it presentable for the requirement of the degree.

Last but not the least, I heartly thank my wife Divya, whose support and sacrifice meant a great deal in the completion of this work. Thanks are also due to my daughter Ayushi for her good humor and teasing, which helped in mollifying the tedium and anxiety of such an exercise.
