ACKNOWLEDGEMENT

I express my deep sense of appreciation and gratitude to my esteemed teacher, Dr. Ashok Kumar, for his incessant encouragement, everlasting inspiration and constant supervision, without which this work would have been an utter failure in itself.

I am equally indebted to Professor M.C. Agarwal, Head, Department of Bio-Sciences, for providing me the necessary facilities during my tenure of work.

Help rendered to me by the members of Radiation Biology Laboratory, Zoology Department, University of Rajasthan, Jaipur is beyond my expression.

My thanks are due to my colleagues and friends especially Dr. Kamlesh Asotra, Shri S.K. Dhawan, Vijay, Rakesh, M.L. Sharma, Surinder for their invaluable help during the course of investigation and incessant encouragement in the preparation of this manuscript.

I also express my sincerest thanks to Sh. Gurcharan Singh for photography and Sh. Sudhir for typing the manuscript.

Lastly the financial assistance rendered by the University Grants Commission, New Delhi in the form of Junior Research Fellowship and Council of Scientific and Industrial Research,
New Delhi, in the form of Senior Research Fellowship is also gratefully acknowledged.

(NAyneet Kumar Gupta)
