ACKNOWLEDGEMENT

Expressing one's emotions are even at the best of times, a difficult exercise especially when we are trying to acknowledge the contribution of our respected teachers & dear colleagues. I am sure, I can never manage who helped me during the course of my research and its subsequent documentation.

It has been my proud privilege to have had the opportunity to work under the overall supervision of Dr. Rajeev Sinha, M.S., Assistant Professor of Surgery, Department of Surgery, M.L.B. Medical College Jhansi. His keen attention and interest in the daily work and his valuable suggestions and advice regarding the intricacies in the work, were a source of great inspiration to me. It shall be no exaggeration to say that without the backing of his unlimited knowledge, it would have been impossible to complete such a project.

I feel highly obliged to my co-guide Dr. S.P. Singh, M.Sc., Ph.D., Associate Professor of Biochemistry, M.L.B. Medical College, Jhansi, who proved to be an important helping hand and under his guidance, the investigations work could materialise.
In no less degree, I owe my sincere thanks to my co-guide Dr. Pradeep Kumar Sahi, M.D., D.A., Assistant Professor of Anaesthesia, Department of Anaesthesiology, M.L.B. Medical College, Jhansi for his constant & consistent help.

It is from the core of my heart that I express my sincere thanks and sense of deep gratitude to Prof. S.L. Agarwal, M.S., F.R.C.S., Professor and Head of Department of Surgery, M.L.B. Medical College Jhansi who always had a fatherly attitude and an affectionate word for me.

I am extremely thankful to Dr. R.P. Kala, M.S., Associate Professor of Surgery, Department of Surgery and Dr. Dinesh Pratap, M.S., Assistant Professor of Surgery, Department of Surgery, M.L.B. Medical College Jhansi for putting their profound knowledge and practical experience at my disposal. Their constructive criticism and valuable opinion have helped to shape this study.

My respected parents and my dearest wife deserve more than mere appreciation, who took great pains in shaping up my career. My parents' affection & the blessings bestowed on me with a spiritual force to withstand all problems while the love and affection of my wife enabled me to withstand moments of stress while on my way to achieving my goal.
Friends in need are friends indeed. I am proud of them and I would fail in my duty, if I do not thank my colleagues and friends. I am highly thankful to my friends Dr. Praveen Jain, Dr. Sanjeev Manglik, Dr. Bharat Bhwan Kathuria and Dr. Shailendra Singh Bist who are ever ready to chip in with help and moral support.

I am offering my thanks to Mr. B.P. Tiwari for bringing out such a neat type script.

I also thank my daughter Mrs. Akansha who never disturbed me in doing my work. Her smiling face was a great boost for my sagging spiriles.

For many others including my patients, I can only beg forgiveness for not naming them but you can be sure of my heartiest gratefulness for their help.

(Drs. S. Dutt Saklani)
