ACKNOWLEDGEMENT

I would like to express my special appreciation and thanks to my research guide Dr. B. P. Shinde, Associate Professor, P.G. Department of Botany, Fergusson College Pune, who undertook me as his research student at the time when my son was only one month old and he has always shown a complete faith on me that I would definitely complete my research work on time, you have been a tremendous mentor and a great human being for me. I would like to thank you for encouraging my research and for allowing me to grow as a research scientist. Your advice on both research as well as on my career have been priceless.

I am also grateful to Dr. R. G. Pardeshi, Principal, Fergusson College, Pune for admitting me in this esteemed institution and provided me all necessary laboratory facilities required to complete my research within time.

I am also thankful to Mrs. S. S. Kate, Head, Department of Botany, Fergusson College, Pune, for encouragement and providing me laboratory facilities and infrastructure during working days as well as vacation period. I am thankful to all teaching and non-teaching staff members of P.G. Department of Botany, Fergusson College, Pune who helped me during the tenure of my research. I wish to thank Head, Chemistry Department, Fergusson College, Pune for allowing me to use certain instruments from Biochemistry laboratory during the period of my research work.

I am grateful to Principal, Fergusson College, Pune and authorities of Deccan Education Society for allowing me to grow my plants on research plot in botanical garden. I am thankful to Mr. Jadhav, Saswad and Mr. Kachare, Narayanpur who allowed me to grow my plants on their fields and looked after them.

I am very much thankful to Dr. Kishor Bhosale and my colleagues Mr. Yogesh Dalvi and Neelima Chouhan for their constant help during the course of this research work and my sincere thanks to Dr. S. K. Shinde, who helped for analysis of my soil samples.

A special thanks to God and words cannot express how grateful I am to my family, especially my mother, who is a great pillar of support in my life and during the entire period of my research and my elder brother. Your prayer for me was what sustained me thus far. I would also like to thank all of my friends who supported me
in writing, and incented me to strive towards my goal. At the end I would like to express appreciation to my beloved husband Rajeev Chauhan who spent sleepless nights with and was always my support in the moments when there was no one to answer my queries and my son Anagh, who cheered me up through the good times and bad.

Mrs. Jaya Thakur
