

ACKNOWLEDGEMENTS

It is my privilege to thank all those who have associated with me in completing this thesis work.

I wish to express my deep sense of gratitude and appreciation to my Research Director, Dr. P. Harishu Kumar, Principal Scientist (Agronomy) and former Head, Division of Crop production and Principal Scientist –in-charge of Burley Tobacco Research Centre, Kalavacharla for his attention, guidance, support with enthusiasm, inspiration, sound advice and for his efforts to explain things clearly in a simple way amidst his busy schedule of work, that helped me to get through this thesis work.

I express my profound sense of gratitude to Prof. Z.Vishnuvardhan, Head of the Dept. of Environmental Science, Nagarjuna University, Dr.AVVS Swamy and P. Brahmaji Rao for offering valuable suggestions and excellent guidance. I am extremely thankful for their enduring patience, kind heartedness and enthusiastic support through out my research work.

I express my grateful thanks to Dr. Kapil Deo Singh, former Director for according permission and Dr. V. Krishnamurthy, Director, Central Tobacco Research Institute, Rajahmundry-5, for providing facilities and his keen interest in pursuit of this work.

I sincerely thank Dr. C. Chandra Sekhara Rao, Principal scientist (Soil Science) & Head, Division of Crop Production, CTRI for his encouragement, valuable suggestions and cooperation during the period of my research.

I am highly thank full to Dr. Kasturi Krishna, Senior Scientist (Agronomy), and Dr. S.V. Krishna Reddy, Senior Scientist (Agronomy) CTRI, Rajahmundry for their valuable advice and help in preparation of this manuscript.

I express my sincere thanks to Dr.J.A.V. Prasad Rao, Principal Scientist, Head i/c of the Division of Chemistry, Dr. P.R.S. Reddy, Principal Scientist, (Soil Science) for their help in conducting the chemical analysis of soil and plant material for this research work.

My sincere thanks are due to Dr. (Mrs.) M.Anuradha, Senior Scientist (Plant physiology) and Dr .H. Ravi Sankar, Senior Scientist (Computer Sciences) for their valuable suggestions,

I express my Sincere thanks to Sri S. Gunneswara Rao, Senior Scientist for his valuable suggestions and help in preparation of this thesis.

My Sincere thanks to Mr. Md .Bajuddin, Technical Officer (T-5), ARIS cell for his tireless work in carrying out the statistical analysis of the research data.

I place on record the affectionate services rendered by Mr, DSR. Sastry, Technician and Mr. V. Madhava Rao, Technical Officer, CTRI.

Finally, I compliment the services rendered by wife Smt. M, Bharathi , B Sc, B L. and my beloved son Mr. M. Sai Viswanadh
