Acknowledgment

Acknowledging gratitude is not a mere ritual, for me it is a means by which I wish to thank all my benefactors who have guided, helped, encouraged and instilled confidence in me to complete this thesis.

First and foremost I wish to express my sense of indebtedness from the deepest core of my heart to my esteemed benevolent teacher Dr. V.K. Sharma, M.D., D.C.P., Professor and Head, Department of Pathology, M.L.B. Medical college, Jhansi who provided me an opportunity to perform this work under his guidance, the present work at every stage bears the impressions of his valuable suggestions, concrete guidance, constructive criticism and meticulous attention. I am extremely grateful for the ceaseless attention he has paid to my problems, always sparing a few moments for me even amidst the busiest of his schedules, without which the work would not have seen the light of the day. It has been a matter of honour to work under his able guidance.

Respectful and sincere gratitude are reserved to Dr. (Mrs.) Ratna Saxena, M.D., Associate Professor, Department of Pathology for her constant help, her learned guidance without which it would not have been possible for me to complete this work in its present form.

I am deeply indebted to Dr. J.P. Purohit, M.S. Professor & Head, Department of E.N.T., M.L.B. Medical college Jhansi for his great suggestions and unending patience in guiding me in this work.

I am no less indebted to my respected teacher Dr. D. Pratap, M.S., Associate Professor, Department of Surgery & Dr. D. Nath, M.D., Assistant Professor, Department of Pathology, MLB Medical College, Jhansi for a constant source of encouragement and inspiration at every stage of present study.
I pay my sincere regards to my parents & in laws for the love and affection they bestowed upon me. Their teachings of perseverance, honesty and hard work have helped me to perform this study, as it has helped me with everything else in life.

Certainly the study would not have been possible without active participation of my husband Dr. Yashpal Ramole who had always been available with invaluable suggestions and unending encouragement.

I am also thankful to Mr. R.C. Jain Lab technician for his timely co-operation.

I will like to thank Mr. Vinod Raikwar (V.K Graphics, Inside Medical Campus) for flawless computer printing of this manuscript.

It is the endowment of spiritualism and remembrance of almighty, who emboldened me and bestowed his king benevolence in carrying out this work, May he always be there in the hour of need.
